ADK Quad-County 2021-22 Restart NY Mini-Grants and 2022-Cycle Statewide Community Re-grants (SCR) Community Arts and Arts Education Grants

FREE “how-to-apply” seminars for arts & cultural organizations, artist collectives, and individual artists, including teaching artists, are being offered by the Adirondack Lakes Center for the Arts (ALCA) for proposed arts projects in **Clinton, Essex, Franklin, and Hamilton counties**, as scheduled below.

Seminars scheduled through 11/19/21 will cover both the Mini-Grants, which cover projects taking place by 6/30/22 and which prioritize live, in-person performances, and the SCR (formerly called “Decentralization” or “DEC”) grants for projects occurring between 3/1 & 12/31/22. While seminar attendance is optional for Mini-Grant applicants, it is required of all SCR applicants. Because of the ongoing COVID-19 pandemic, seminars currently scheduled will be held online via Zoom. **Advance registration via email (to receive the link) is required—for daytime seminars, by the day before; for evening seminars, by 12 noon that day** (seminars must have a minimum of one advance-registrant to take place).

To register or learn more about these opportunities, please email ALCA’s SCR Grant Coordinator Fred Balzac at fred@adirondackarts.org.
