

Instructions for leaders:

God created an incredible world for us and we have been tasked with protecting that world. From the smallest animals to the tallest trees, and from the youngest child to the oldest person, we have been called to protect everyone and everything in God's creation. Together, we can join in action and in prayer to act justly, love mercy and walk humbly with our God. In this activity, children will be encouraged to draw, paint or colour a picture of our planet. While creating this picture, they can be encouraged to think of all the wonderful things in our world. Upon completion of their picture, they can be encouraged to think about which areas or who needs help in our lives.

Depending on your VBS theme, leaders can tie in the theme or topics being discussed. Encourage children to write a prayer reflecting on the areas or people who need assistance or support, and for their hopes of a world filled with peace and love. Children can be encouraged to share within a group, say their prayers during a worship time, or to take home and pray together as a family.

"And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God." —Micah 6:8
