A Gift from the Heart and a legacy of hope

This year George and Marilyn Haugen are giving a **Gift from the Heart** in memory of their daughter, Melanie, who passed away suddenly in August 2017.

“Melanie had a very strong sense of justice for women and giving them a chance,” says Melanie’s mother, Marilyn. “She was a supportive mentor to many young women as they got started in their careers.”

Melanie is remembered by her family as someone with a vivacious spirit, who possessed great strength, determination and a lifelong thirst for knowledge. By making a legacy gift in her honour, Marilyn and George know Melanie would be proud to give women and girls the opportunity to expand their own knowledge and reach their full potential.
