WARRIORS ARISE!

The most prominent news headlines around the world today contain this ominous word: WAR. Whether it is the Israel-Gaza conflict, Russia's aggression against Ukraine or wars raging in other nations, we cannot ignore the fact that Jesus' prophetic word in Matthew 24:6 is coming to pass. Wars and rumours of wars are happening everywhere. We are in the last of the last days.

But an even more serious war is taking place right here in Canada. It is a battle for the souls of men, women and children. This present generation is under attack from all sides. The enemy has infiltrated our education system, media, politics, and yes, even some churches. Evil is called good; lies are called truth, and sin is celebrated.

It is time for warriors of God to arise in the power of the Holy Spirit and to stand strong for Jesus! We can learn from Nehemiah, who was constantly bombarded with threats from Israel's enemies as they attempted to rebuild the walls around Jerusalem. He stood strong and declared to the people of God, *"Do not be afraid of them. Remember the Lord, great and awesome, and fight for your brethren, your sons, your daughters, your wives, and your houses."* As God's people joined forces and gave their all, *"God...brought (the enemies') plot to nothing,"* (Nehemiah 4:14-15).

We are fighting the onslaught of evil on many fronts in Canada. We have a mighty army of Champions of Hope team members who are reaching and discipling precious Inuit lives throughout the Canadian Arctic, with the goal of raising up strong leaders in each community who can reach many more for Jesus.

In February we were thrilled to send Jacob Walda and team leader James Park to Nain, Labrador, along with former Nain missionary, Juanita Whalen and her daughter, Nadine. Juanita and her husband Ray spent many years in Nain, preaching the Gospel, loving and ministering to the hurting, seeing bondages broken and feeding the hungry. Since their retirement several years ago there has been no permanent Gospel outreach in the community. The Lord touched many hearts as the team shared the Gospel wherever they went. Several longtime Nain residents wept as they reunited with Juanita and remembered Ray and Juanita's labours of love. Her relationship with the town's leaders opened many doors of welcome for a full Champions team to return later this year. Like most isolated communities in the north, Nain has seen its share of suicides, abuse and trauma, but our Champions teams are mighty warriors for God, and we know victory is assured!

pouring into the rising generation of Timothy's, and as they are unleashed across the nation, armed with the Holy Spirit's anointing and fresh passion, I believe we will see Canada set ablaze with the fire of God! You don't want to miss this powerful conference, so be sure to register today! Go to bpea.com for full information about the Timothy Conference, and to register for all the sessions.

Of course, our most powerful weapon is prayer. That's why we assembled an army of dedicated intercessors - Warriors of Hope - to pray and believe for breakthrough in Inuit communities throughout the Arctic. I want to encourage you to become part of this great prayer army, simply by joining our Warriors of Hope group on Facebook.

In March and April our teams will be returning to Rankin Inlet and Kinngait (Cape Dorset), and Jacob is going to Coral Harbour, NU to minister. Just as Nehemiah charged God's people with the responsibility of fighting for the generations, we are raising up Inuit believers, clothed in the armour of God, to stand against the forces of evil in their communities for the sake of every Inuit man, woman and child in need of His transforming love and power.

Another offensive weapon we are employing against the enemy's onslaught in Canada is our Timothy Conference, to be held this year from June 12th to 15th in Toronto, ON. Our dynamic ministry guests, John Arnott, Roberts Liardon, Terri Copeland-Pearsons, plus Jacob Walda and I will be

Victory, breakthrough and revival in Canada will happen when we all stand shoulder-to-shoulder, armed with the life-changing Gospel of Christ, clothed in the power of His Spirit, and march forward to break the bondage of sin in our nation. National revival starts in the hearts of individuals, in families and in groups of believers who are willing to contend for their children and grandchildren, their spouses, their parents, their friends and neighbours. Will YOU join this great army and believe with us for a nation-wide outpouring?

We value your faithful partnership as we push through strongholds of evil toward glorious victory. We need you! Please prayerfully consider what you can give to help our Champions of Hope teams to continue reaching and discipling our precious Inuit neighbours in the far north, and for our many outreaches throughout our nation. Your generous investment in souls will pay eternal dividends.

We are at war. The battle is raging. But here's the good news: With Jesus, our Commander-in-Chief, victory is assured!

Canada shall be saved!

Bill Prankard
President & Founder BPEA

Champions of Hope

An initiative from the Bill Prankard Evangelistic Association that exists to bring hope to every person in Canada's Arctic.

Through evangelism, discipleship and Holy Spirit empowerment, we exist to see the next generation equipped to be healing evangelists in their own communities.

Your commitment is for 1-Calendar year:

- Disciple someone in-person/online
- Go on two (2) trips
- Raise \$2000
- Be trained in ministry, evangelism and discipleship
