Our Mission & Reach

We inspire people of all generations to make informed decisions about their breast health by making our educational information free and accessible.

To date, we have distributed Daisy Wheels to all 50 states in the US as well as 35+ countries. Support from our donors, sponsors, and fun-raisers help us continue to provide our breast health education resources for free, making them accessible to all!

How can you help?

FUN-raising can be as creative as you like, and the possibilities are limited only by your imagination! Fun-raisers could be as simple as a pink change donation jar at the register for Breast Cancer Awareness month in October, as elaborate as a pink-themed cocktail party or a rosé wine tasting, or anywhere in between!

Individuals...

- Birthday or anniversary guests may contribute to GIT through a Facebook fundraiser in lieu of gifts (pink shoelaces, water bottles, cupcakes, or ribbons make great party favors).
- A Pink tea is always suitable for Mother's Day.
- Pink lemonade or Kool-Aid stands.
- Ask friends and neighbors to clean out their basement or garage for a good cause. Organize a garage sale, and you'll clean out your house while supporting breast health awareness at the same time!

Companies...

- Host a pink-themed fitness or Zumba class or a salon/spa day.
- GIT Your Pink On Day corporate sponsored events – employees dress in pink, or jeans, or other fun apparel and donate \$ to GIT for the privilege.
- Raffle baskets.
- Ask your customers and clients to support GIT: donate for a particular service (e.g. a monetary donation for each car wash or reusable bag purchased through your business). Restaurants can donate a percentage of receipts for October or another time period.
