TREE LIGHTING CEREMONIES

Lighting ceremonies are held in 8 cities throughout San Joaquin County. Each ceremony reflects the uniqueness of the community and involves local organizations, offering an opportunity for community members to gather and reflect. Memory boards list the names of those recognized by the lights on the tree. This year, all Tree of Lights Ceremonies will be virtual. To learn more about how you can participate, visit hospicesj.org/events/tree-of-lights.

MEMORY BOARDS

Memory Boards are posted the evening of each Tree of Lights Ceremonies.

Mail in forms must be received 10 days (7 days for online orders) prior to the lighting ceremony to ensure placement of names on the memory board the night of the ceremony.

Tribute updates will be made near the 10th and 20th of December and will remain at each site through December 31st. Late submissions and updates are placed at the end of the original tribute list.

Tribute will be listed alphabetically by FIRST NAME at each location.

DISCLAIMER

Due to COVID-19, please expect delays with processing your donations. All Tree Lighting ceremonies will be held virtually, however the Memory Boards and Trees will still be available for in-person viewing in your town. For all further questions, please contact Hospice SJ at 209-957-3888.

Thank you for your generous donation to Hospice of San Joaquin's Tree of Lights. Your tax deductible receipt will be sent to you via mail.
