**A FREE Memory Bear is available to the family of the Hospice of San Joaquin Patient (each additional bear is \$30)**

- Non-Hospice of San Joaquin families can also purchase a Memory Bear for \$30
- \$10 donation for shipping requests (\$5 shipping for each additional bear)
- Bear will be completed and shipped in 8-12 weeks

#### **Hospice of San Joaquin offers Memory Bears constructed in the fabric of your choice.**

Volunteers are able to make Memory Bears from shirts, blouses, sweatshirts, bathrobes, uniforms, fleece, flannel and cotton. Most bears are approximately 14-15 inches in height.

Buttons from the garment or color coordinated buttons will be used for your bear's eyes. If you would prefer they be left off (possibly due to Memory bear being for a child) please note on the order form.

Volunteers are unable to work with leather, beaded fabric, stretch knits or blankets. Fabric needs to be cleaned and pressed with a minimum of one-yard of useable material.

**Completed order form, fabric and tax deductible donation need to be received at:**
