JUDGE: EMILY SOMOSKEY

www.emilysomoskey.com

Emily Somoskey is a 2-D mixed media artist and painter from Northeast Ohio. She received her MFA at Michigan State University, in East Lansing, MI (2020) and a BA in Art Education/Painting at The University of Akron in Akron, OH (2013). Emily is currently a Visiting Assistant Professor at Whitman College, in Walla Walla, WA, where she teaches courses in painting and drawing. Emily's mixed-media paintings use representational and abstract methods to explore the ways we simultaneously experience physical and mental space. On a material level, her work is largely built through layering paint and various forms of photographic and digital imagery. These disparate mediums collectively create a complex and nuanced language that weaves together moments of clarity and ambiguity. Through her work she references the shifting and overlapping nature of our experience with the sensate and psychological realms, giving form to the complexity, instability, and enigmatic nature of our lived experiences.
