## Hand to Heart Scholarship Fund

During the challenging times we have all experienced, our scholarship fund has never been more relevant and needed. Crossroads started the Hand to Heart Scholarship fund in the late 1980's to make sure people of all ages could access our programs regardless of their financial situation. It has been a bedrock of our organization ever since. If you see a class you would like to take and you cannot afford to do so, go to our website at [www.crossroads-arts.org](http://www.crossroads-arts.org) or stop by Crossroads and pick-up a Scholarship Form. We ask that students consider paying 10% of the class costs to assure that our scholarship fund can help as many families as possible. However, we are happy to provide full scholarships if needed. We have multiple fundraisers a year to make sure we have plenty of funds in our Scholarship account. Donations are always welcome!

## Ongoing Covid Guidelines

Crossroads continues to follow all the OHA and CDC Guidelines. At this time, all persons age 5 and older are required to wear a face covering over their nose and mouth. We encourage physical distancing in the building and are still limiting class sizes. Please stay home if you feel unwell. For all children's classes we are required to do a brief wellness check and log who is dropping off and picking up. We ask that parents continue to discuss the importance of hand washing/hand hygiene, maintaining social distancing, and mask-wearing. We continue to ask for patience, kindness and courtesy as we navigate challenging times and strive to keep our community healthy. Let us all continue to gather and grow despite these challenges.

## CROSSROADS CARNEGIE ART CENTER STAFF

Contact Ginger at 541-523-5369 if interested.

*The mission of the Crossroads Carnegie Art Center, Inc., a 501(c)3 non-profit founded in 1963, is to create opportunities for the entire community to be engaged, inspired, and transformed by the arts through participation in classes, workshops, exhibits, mentorships, and partnerships - A welcoming place where people meet and the arts speak.*

# Director's Corner

## Community Counts

Thank you to our entire community as we continue to navigate through these challenging Covid times. We are excited to have a larger set of class options for you in this class schedule. We are seeing a return to the old, valued creative traditions with full classes in knitting, sewing and pottery. It is up to everyone to make recommendations for future classes you would like to see to Katie Ash, our Education Coordinator, and spread the word about locals who might consider teaching

We also know that many of you are concerned about Covid-19 and we always have the latest Oregon Health Authority updates posted on the door. We ask that you take a moment to read them especially as we move into the months ahead where there is glimmer of hope things can soon return to a bit of normalcy. As always, we ask for kindness, grace, humility and respect for each other and our neighbors.

So let's get signed up for classes and community!

## Fall Event Recap

### 2021 OKTOBERFEST

Our 2021 Oktoberfest raised over \$20,000 to support the Art Center! Thank you! The fantastic dinner was prepared by the Anthony Lakes Mountain Resort Food Service Team with John and Molly Wilson donating the cost of the beef. Baker High School National Honor Society did a terrific job serving our guests. Thank-you to Sweet Wife Bakery for desserts and Copper Belt Winery and Barley Browns for providing drinks. Baker Lions Club kept the fires burning to welcome our guests to the Baker Event Center and we thank greeters Robin Crowell and Brian Watt. The Auction was a huge success and the sale of our Oktoberfest merchandise still is going strong at Crossroads. A great holiday gift!

Our 1st Annual Potato Fun Run was a success! We thank Ward Ranches, Agrihaus Farm, and numerous other supporters for making it possible. Potatoes were donated to Northeast Oregon Compassion Care Center and Crossroads was thrilled to donate 100% of the proceeds (\$1050) to the Baker High School Cross Country Program. See you next year for the 2nd Annual Potato Fun Run!

We thank all our Sponsors and our amazing Oktoberfest Committee of Katie Lamb and Janet Kahn for their support. Mark your calendars for next year's event October 14th and 15th in 2022!

### JAYANTHI RAMAN DANCE - RASIKA - "NAVARASA KALINGA NARDANA"

Crossroads was so honored to partner with Jayanthi Raman Dance for a Virtual Dance Performance on September 25th on the Crossroads Facebook Page. We are so grateful to have a long-standing relationship with Jayanthi and Rasika and we all look forward to the day we can have them back in Baker City to dance in person! Hope you did not miss it!

### DÍA DE MUERTOS - NOVEMBER 1ST

We thank the English Language Learner Program from Baker High School led by ELL Family Liaison Ma'Lena Wirth for creating a beautiful community ofrenda on the stage of the downstairs studio to celebrate Dia De Muertos. We had a few people stop by and place photographs of loved ones on the ofrenda to honor their passing. We hope that by next year our in-person Hispanic Heritage Month programs will be in full swing!

## Charitable Giving

As 2021 comes to a close, this is a reminder that year end giving is upon us! Here are some ways you might consider supporting Crossroads:

- Renew your membership or make a donation to Crossroads.
- Check in with your tax advisor and start planning.
- Gifts to Crossroads can be matched to the Oregon Cultural Trust and are a great way to support the arts in Oregon.
- Crossroads also has a brokerage account with Vision Wealth Management if you would like to gift us stocks or bonds.
- Another option to discuss with your tax advisor is gifting your "required minimum distribution" from your IRA.

With a combination of mix media canvases and tools the course description has not been fully mapped out, because you haven't created it yet! As a young Oregonian it can be difficult or awkward finding what resonates within you. To make a majestic duck or an elegant beaver, sometimes one must first create an awkward platypus. We celebrate the awkward & different! Channeling your expression is our goal! Maybe you walk away with one masterpiece, maybe you walk out with one everyday. EVERYONE will walk out of this class with more tools and new perspectives on how to create art that is an expression of yourself. "Happy accidents" happen all the time through life, you will be taught how to handle the not so happy ones and find ways to trust yourself with irreversible decisions. Art - like life, is about the journey and we are going to have fun.

### ANNUAL STUDENT ART SHOW

January brings in our annual Student Show, premiering January 7th from 5:30-8:00pm. This show gives our local High School students a chance to present their works of art to the public, as well as an opportunity for all of our visitors to see the multitude of talent that local students have to offer. This is an open show, so students are encouraged to bring us their most creative works in all shapes, sizes, and mediums. We are sure looking forward to this exhibit that will give our visitors a chance to form a commentary with the young artists of our community; whether that be discussions on what inspires them or how they hope to continue their artistry in the years to come. We also encourage everyone to visit the Nightingale Gallery at EOU in La Grande as our lovely guest judge from the September Open Regional Show, Emily Somoskey, will be partnering with her husband to present a surely engaging exhibit for the entire month of January.

## February 2022

### POETIC REFRACTION

Friday, February 4th, will be the opening night for Poetic Refraction, by Suzi Butler and Mary Arnold. Visitors will be able to make their own interpretation of how the presented pieces demonstrate the way these two Idaho artists have put forth a cohesive exhibit that highlights both their similarities and differences. Suzi Butler will showcase her "rainbow of possibilities" 3D glass pieces, while her sister Mary Arnold will be presenting her 2D paintings of a "soul's portrait", whether that soul be from an individual or a moment of time in a landscape setting. Together, these sister artists will formulate a beautiful exhibit, full of color, personality, and visual poetry.

### SAQA SHOW

For the incoming Spring season, we at Crossroads are thrilled to announce a month-long exhibit, beginning on Friday, March 4th, brought to you by the Studio Art Quilt Associates (SAQA). Quilts are surely a beloved, utilitarian use of textile, and can just as well be a beautifully crafted focal point of fine art as well. This vibrant show will showcase the SAQA values of "excellence, innovation, integrity, and inclusion" in a truly unique gallery exhibit. Crossroads encourages you to observe for yourself how SAQA utilizes the quilt as a unique art medium that has been constructed through vision, artistry, hard work, and coordination.

Join us each First Friday  
for the opening of our newest show.
