Director's Report

What a busy summer already! We are so sad to have lost two wonderful members of Crossroads – Karen Owen, Education Coordinator and Alyson Spiering, Community Art Director. Both will be greatly missed.

We welcome Melody Chaves as our Education Coordinator who has jumped right in and is doing great work! We just hired Angela Blair as our new Community Art Director who will be starting in early July.

Jackie Wirth has joined our team as our Event Coordinator for Oktoberfest. Katie Lamb has stepped up to be the Oktoberfest Chair.

A huge thank you to all the volunteers who helped with Brooklyn Field Day, Oregon Trail Days, and Leo Adler Day!

As we enjoy the beautiful days of Summer in Baker City, crisp days of fall will be here soon. Fall/Winter is a great time to take classes or enjoy a new show in the gallery!

The mission of the Crossroads Carnegie Art Center, Inc., a 501(c)3 non-profit founded in 1963, is to create opportunities for the entire community to be engaged, inspired, and transformed by the arts through participation in classes, workshops, exhibits, mentorships, and partnerships – A welcoming place where people meet and the arts speak.

Pay What You Can

Our "Pay What You Can" payment model for classes is thriving as a significant improvement for assisting with the cost of our programs for rural families, seniors, and community members with limited ability to participate in Crossroads Education programs. While we offered student scholarships in the past, with our "Pay What You Can" model, we have temporarily suspended the need for such forms!

How it works:

Look at our Fall Class Schedule Online at www.crossroads-arts.org and find classes of interest for you or your student!

- Choose to pay full tuition, half tuition, or any other amount you can afford. If your family is struggling, it can even be zero. Complete your registration using your current Crossroads account or start a new Crossroads account.

- In the privacy of their own home, families can look at their budget and the value and knowledge that they or their child have gained in Crossroads classes, and make the best decision for them regarding what they can pay.
- Teachers will be paid as usual for the hard work and valuable services they provide!

This option will be available for both Children's and Adult class registrations. Crossroads has also added a "Pay What You Can" FAQ Sheet in our "forms" library on our website. We hope this FAQ Sheet answers all of your questions, but please feel free to contact Crossroads if you need any additional help.

ArtSpeak

The ArtSpeak Program has been robust during the last several months, and I can honestly say that we have exceeded some of our goals. Our backbone is our ongoing after-school program. We continue to have gifted artists working consistently throughout the school year. In the Fall, we plan to add yoga classes to our schedule of art and dance. We also began a partnership with BELC this past winter. In total, we hold seven classes a week for students ages 3-12 years old. We hope to work with Baker Middle School and High School students.

Working with children is not ArtSpeak's only goal. We are

very much an outreach program and there are many adults in our community who cannot get to Crossroads, so we go to them! This year we began a weekly Tai Chi class at Step Forward. We have two art classes scheduled each week with the residents of Meadowbrook and Settlers' Park. Our goal is to enrich, to encourage creative expression, and to help all persons access the arts.

If you are interested in taking, teaching, or facilitating a class, I encourage you to reach out and find out more by calling Crossroads.

STUDENT/TEACHER EXPECTATIONS

At Crossroads, mutual expectations between students and instructors lay the groundwork for a thriving creative environment. Students are urged to arrive ten minutes prior to class. This early arrival enables them to locate their class, prepare their art supplies (if required), and mentally transition into the creative mindset for maximum engagement. Similarly, instructors should be present 15-20 minutes ahead of time, granting them ample opportunity to set up the workspace, review the class, and make any necessary alterations. This pre-class preparation ensures a smooth, uninterrupted flow of artistic instruction. These proactive habits imbue Crossroads with a sense of respect and responsibility, cultivating an environment conducive to creative exploration and growth.

In the Arts

INSTRUCTOR SPOTLIGHT

This summer we honor a woman who has given much of her life to helping those around her through movement and artistic expression. Debbie Friedman started ArtSpeak over 25 years ago, and with the help of Crossroads and its amazing instructors, has since helped hundreds of children and other disadvantaged groups in and around Baker County. She has taught them to be comfortable and in touch with their own bodies and to be proud of who they are. She has truly made a difference in the lives of those in our community, and we can't thank her enough for the work she has done and continues to do.

INSTRUCTOR SPOTLIGHT

Paul Hoelscher has been a fixture of Crossroads and the ArtSpeak program for nearly 20 years. He has taught both kids and adults in a variety of studio classes that offer instruction in both 2-dimensional and 3-dimensional media for all skill levels. Paul strongly believes that in addition to the invaluable presence of art in his own life, he has seen the ways that art enriches the experience of people of every age, and believes that each and every one of us is more peaceful and joyful because of art's influence on perspective and emotional health.

VOLUNTEER

OUR VOLUNTEERS

Volunteers play a vital role in the running of Crossroads, often acting as the unseen pillars supporting our beloved institution. With their time, skills, and passion, they keep the wheels of creativity turning, whether by facilitating exhibitions, fundraising, or inspiring art appreciation in visitors. They play a part in conserving the artistic heritage of Crossroads Carnegie, while fostering the growth of new creative expressions. By offering their time for free, volunteers allow Crossroads to divert resources towards developing new exhibits and classes. Moreover, their involvement often encourages broader community engagement with the arts. Through their dedication, volunteers help ensure that art remains accessible, vibrant, and integral to our community.

Yoga

YIN YOGA

The word “yoga” means “yoke” or “unites” in Sanskrit. Yin simply translates as feminine, negative, or dark. Yin is the opposite of Yang, “positive and light.” Yin Yoga consists of 8-10 gentle poses that assist with deep stretching and release of fascia, which helps relieve joint pain. When yoga postures of the asanas are held from 5 to 7 minutes, it promotes healing within the body. Most of the postures are performed while seated or laying down. Please bring a mat, water bottle, and wear comfortable clothing.

Gary was born and raised in Medical Springs and his 6-decade art career has seen him painting many people and places of Eastern Oregon.

Schedule:

Crossroads will be opening Towards Home on Memorial Day Weekend of 2024, and we will be announcing specific dates in time in the months ahead. The show opening will be in conjunction with the reopening of the National Historic Oregon Trail Interpretive Center.

Towards Home

THE ARTWORK OF GARY ERNEST SMITH

Show:

Gary is busy painting new works and bringing out early figure studies/small paintings of some of his most iconic works. He is planning to show over 50 paintings. Crossroads will be producing a catalog for the show, which will be for sale. The show will be open for 6 weeks and conclude on Sunday of Miners' Jubilee in 2024.

Banners:

Crossroads is collaborating with Baker City Downtown and will have banners made for Main Street for the 6 weeks of the show! Each banner will feature a different Gary Ernest Smith Image and will be sponsored by individuals, businesses, or organizations for \$125. The donor's name will be on the banner signed by Gary, and at the conclusion of the show, given to the Sponsor to keep. If you want to sponsor a banner, please contact Crossroads.

Special Events:

Crossroads staff are busy pre-planning for an assortment of events and activities during the 6-week show. Inspiration Series will give local artists and community members a voice to share what has inspired their life's work. Gary's career was inspired by Baker County -- it is important that our youth hear the inspiration stories of an eclectic group of people. Special Days: Crossroads will collaborate with the community to bring new audiences to see this show. We will have Senior Citizen Day, Veterans Events, Family Days, etc. En Plein Aire Event: Crossroads will host an En Plein Aire Event ("Painting in the Open Air") the week of Miners' Jubilee of 2024. The artwork created will be on display at Crossroads for the final two weeks of July of 2024. Gary has long been a Plein Aire painter, and this will honor his artistic legacy.

Marketing:

Crossroads is working with DDRC Marketing in LaGrande to promote this event and the community-wide Homecoming in 2024, and staff are busy writing grants to help support these efforts.

Crossroads will continue to share information with the community in the months ahead! Mark your calendars!

August

"SHOT IN THE DARK, PAINTED WITH LIGHT" BY HEIDI EGERMAN & JERRY HENDERSHOT

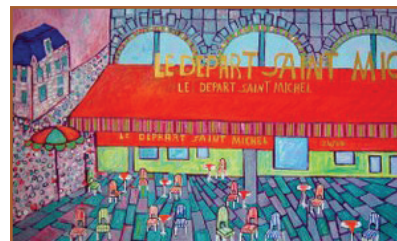

Crossroads is delighted to present "Shot in the Dark, Painted with Light" as our August show, highlighting the ceramic artwork of Jerry Hendershot and the "light painting" works of Heidi Egerman. Of her works, Egerman says that Mother Nature and the fruits of her own garden have been her greatest muses, inspiring her to present the humble offerings of the earth through the drama of light painting technique. Both "Shot in the Dark, Painted with Light", and "The Little Big Show" will open on Friday, August 4th with a musical performance and a wine & cheese tasting!

September

26TH ANNUAL SEPTEMBER OPEN REGIONAL

We are counting down the days until our Annual Open Regional Show! We invite local and regional artists aged 18 and older to enter their original works of any medium and subject matter that inspires them, for the chance to win awards in a variety of categories! There are awards given for such distinctions as 2D, 3D, Photography, and overall Best of Show, presented on opening night by special guest judge Sam Hoppel. Join us on our opening night, Friday, September 1st, to experience what our local artists have to offer!

October

RENA VANDEWATER

We at Crossroads welcome Treasure Valley artist Rena Vandewater in October! Rena Vandewater has captured her travels across Europe and the U.S. in the stunning colors of oil and acrylic paint. She wishes to create an artistic atmosphere for visitors to travel through and lose themselves in as they experience the images of breathtaking landscapes and architecture that Rena has collected along her way. October's First Friday exhibit opens on Friday, October 6th, with a special musical guest and the artist's talk.

November

HARTINI GIBSON

Crossroads is eager to open our gallery to Hartini Gibson and her bold works of "contemporary fiction". Born in Philadelphia, PA and now residing in Boise, ID, Gibson has traveled from east to west and back again, and now brings her memories of travel and the "elusiveness of time" to our gallery in November. Working in dramatic studies of color and composition, Gibson desires to tell a story through pieces showcasing emotion and human myth, letting the simplicity of her work be the vehicle that evokes poignant moments of time within the mind of the viewer.

STAFFING UPDATE

Melody Chaves
Education Coordinator

My passion for art in all its forms - its universal languages, its power to transform minds - has shaped my life. Art, to me, is a powerful instrument. It dismantles cultural, social, and personal barriers. Whether it's the differences in our backgrounds, the unique challenges we face, or the diverse paths we tread, art connects us. It opens avenues for empathy and understanding, as well as transcends language, dissolves prejudices, and bridges the gap between the seen and unseen. If you are someone who has never been interested in art, you just haven't found the right form. Keep looking, and you'll find something that speaks to your soul.

WELCOME ANGELA!

Crossroads is thrilled to have Angela Blair join the Crossroads team as our Community Art Director in early July!

Angela brings a remarkable skill set and energy to this position. She is new to Baker City, and is excited to continue to be more involved in the community. Her career history makes her well-suited for the challenges of managing the Crossroads gallery, including a background in inventory management, customer service, and a deep-seated love of the arts as a whole.

Please stop by and welcome her as she is quickly learning her new job and getting ready for a busy end of 2023 and a fantastic 2024!

WELCOME LILY AND ELLIE!

Crossroads welcomed two paid interns this summer to help with special projects.

Lily Hoelscher grew up at Crossroads, and this summer she put together this class schedule and has been creating the projects for the Halloween and Christmas Make It and Take It Events. She is heading back to her Senior Year at Carroll College in early August.

Ellie Lamb has also grown up helping at Crossroads events! She is busy helping with all our camps and youth programs. She is also learning Crossroads Art Inventory and has been updating files. Ellie will start her Senior Year at Baker High School in the Fall.

NHOTIC PARTNERSHIP

In June, Crossroads and the Bureau of Land Management announced our partnership, with Crossroads becoming the new Friends Organization for the National Historic Oregon Trail Interpretive Center (NHOTIC). Crossroads will be supporting the work of NHOTIC, and we will handle the management of the Gift Shop, manage the marketing, and support their arts, culture, heritage, and humanities programming, including the Flagstaff Gallery, the 100 seat Leo Adler Theatre, the outside amphitheater, and the Wagon Box Gallery. The Interpretive Center is scheduled to reopen on Memorial Day weekend of 2024 and Crossroads is already planning!

The gift shop will be a wonderful opportunity to sell artwork of local and regional artists and fill a gift shop with as many local/regional products as possible. The goal is to host an artist/local business informational evening at Crossroads to share how we will manage the products, themes of NHOTIC, and share the process of how we will accept work later this year. Crossroads will also be offering a limited scope food and beverage at NHOTIC and will be looking for vendors and local shelf stable food items to sell. The gift shop area is being expanded, and the acknowledgement room will be converted into a casual café area.

Crossroads will partner with NHOTIC and the Flagstaff Gallery. Crossroads will likely host 1-2 three-month art shows at NHOTIC yearly. That selection process will be added to our Annual Call for Featured Artists, which should be published this summer. Crossroads will also support educational programming at NHOTIC. This is in the planning phase, but may include concerts, films, or other programming onsite and we hope that Crossroads classes can occasionally move up to NHOTIC. Think En Plein Aire at Flagstaff Hill or Craft days at NHOTIC. Crossroads will also support NHOTIC with an event like Oregon Trail Days, which was a huge success in its first year.

Crossroads will be hiring more staff to support the Gift Shop, which will need at least two employees. Crossroads will create a Friends of NHOTIC committee, which will bring volunteer community members to help staff with ideas, volunteerism, and organization. While Crossroads programming at the Carnegie Library will be unchanged, this does allow Crossroads the opportunity to grow our financial base once we are operational. To become operational, we will need investment, and we are working with foundations and looking for donors to help with startup costs of such a major intaking. Contact Ginger Savage if you have any questions or would like more information.

SPECIAL CONCERT

Crossroads is thrilled to welcome JIM-ISAAC CHUA, a Filipino-American pianist from the Tri-Cities of Washington, for a special concert on Saturday, September 30th from 6:00pm to 7:30pm at Baker High School. He has been awarded in numerous international piano competitions in the USA, France, and Austria. Tickets will be available to purchase on the Crossroads website starting August 1st. In 2009, he gave his solo debuts at Carnegie Hall and the Kosciuszko Foundation in New York. In 2010, he performed his first concert tour organized on the occasion of Chopin's 200th anniversary by Polish Organizations on the West Coast of the United States.

Since 2014, he has been regularly invited to perform recitals and lectures in Southeast Asia. In the Philippines, particularly, he has been invited to almost every music school and university to give concerts, masterclasses, and workshops. His performances are heavily praised as "... an amazing feast for the ears ... he created such an amazing atmosphere - an immense variety of climates" (Szczecin Radio) and "Ravishing! The pianist delighted the audience

with his brilliant technique, excellent articulation, ability to use timbre and dynamics, who gave him a standing ovation" (Sala Koncertowa PSM w Jastrzębie Zdrój).

In 2022, he gave a full-house concert for the Arc of Tri-Cities, raising around \$10,000 for people with special needs - "a model of artistic perfection in every respect . . . from Bach to Ravel, his treatment was precisely in context - but, of course, with his own individual flair. Such is the mark of a truly great musician." (Dave Clark).

Isaac's concert will raise support for our Youth Programs at Crossroads including ArtSpeak.

We thank Heather Jorgenson-Stone for facilitating Isaac's concert in Baker City. We thank the Stone Family, who are providing housing for Isaac's stay, and Baker High School Band and Choir programs for allowing access to the Auditorium. His story as a first-generation American immigrant whose parents have no music background, and the teachers that inspired his career, is powerful. He is a graduate of the Eastman School of Music in New York, Vancouver Academy of Music, and the Karol Szymanowski Academy of Music.

SAD NEWS

I am very sorry to inform you that we will not be having the Day of the Dance this year. Last year we had some grant funding for this event, but unfortunately this year we did not receive the grant that could help fund this event.

So it's going to be mostly up to us if we would like to have it next year (2024).

If anyone has any ideas for fundraisers to support this event, please share them with Ginger, myself, or Terry Drever-Gee.

I've got one idea - an 80s Dance Party - complete with costume contest!! Anybody else? Share your ideas with me!
