What is the SOS Committee: It is an email based volunteer program. When staff has a project we email the SOS Request out to the volunteers. Staff will give details of the project and what it requires to complete the task. Examples: Can you walk to do the project, need a car, can you take it home, etc. It is on First Come, First Serve basis. If you are not available at that moment no worries...we will get you when you are available. We will continue to email out the SOS Plea until it is completed.

Committee Work: Crossroads lists its Committees in the newsletter and each committee requires varying degrees of time commitment. Please contact staff at 541-523-5369 for more details.
