

JOIN THE AT-HOME EVEREST CHALLENGE!

On May 22, 2017, Chris Bombardier became the first person with hemophilia to summit Mt. Everest, the tallest of the Seven Summits at 29,029 feet.

To help him celebrate his remarkable anniversary we invite you to join his Everest Challenge!

While staying safe, complete an activity 29 times (climb your stairs 29 times, swim 29 laps, ride 29 miles—you choose), send us a video of you doing your challenge, make a \$29 donation and challenge 9 of your friends to do the same. We have until May 22 to reach our goal of \$29,029!

An anonymous donor will be matching donations for a limited time, so you can double your donation. Join the challenge soon!

Visit SaveOneLife.net for more information.
