Summer Camp Returns in the Dominican Republic

Did you know that Save One Life supports summer camps for qualified program partners?

Fundación Apoyo Al Hemofílico (FAHEM) held a camp from August 12 - 14 in the Dominican Republic where 55 campers took part in hydrotherapy, infusion training, sports, games and fun!

Thank you to all who support Save One Life and our programs, like the Bleeding Disorders Camp Fund, that help so many people worldwide.

Wheels for the World 2022 - Celebrating the Legacy of Barry Haarde

Barry Haarde made history as the first person with hemophilia to cross the United States on a bicycle. He would ride cross-country five more times and raise over \$250,000 for Save One Life.

Join us as we celebrate his legacy!

Pennsylvania Ride	October 1	Blue Marsh Lake Leesport, PA
