Thank You, From Rajkot India

The Hemophilia Society Rajkot Chapter recently held a camp and 140 patients and parents attended.

In addition to camaraderie and social inclusion, campers received homeopathic treatment and learned about physiotherapy. Parents had the opportunity to share their experiences with bleeding disorders and learn more about chapter activities.

Two highlights of camp were the Independence Day Celebration and the Distribution

of Save One Life sponsorship funds.

Campers send their thanks for Save One Life sponsorship funds.

Doug is currently biking from Portland, OR to Portland, ME. He is fundraising for Save One Life, continuing the legacy of Barry Haarde.

Humanitarian of the Year

Congratulations to Save One Life Executive Director, Chris Bombardier, for winning the National Bleeding Disorders Foundation's *Mary M. Gooley Humanitarian of the Year* award.

“I'm honored to be recognized as the Humanitarian of the Year. Standing up for the values and belief that every person deserves the right to access to care has been a thread throughout the bleeding disorder community. I am honored to be able to help continue that tradition and hopefully encourage others to do the same.”

- Chris Bombardier

We thank our Corporate Sponsors for supporting our mission.
