December 2019

Dear friends,

This is a time of celebration! All of us at Save One Life are so thankful to you, our supporters and friends, for caring about our mission.

As 2019 comes to a close we look back with gratitude and ahead with excitement. We have a lot planned in 2020 and hope you will continue to be a part of Save One Life as we embark on a new year.

A special thanks to our staff and program partners as well. Without their tireless efforts, none of this would be possible.

Enjoy the season, and as always, thank you for your support.

Come Hike the Grand Canyon with Us!

May 2020

As you think about goals and resolutions for 2020, add our hike to your list! It is time to start planning now for this adventure.

Hike with Save One Life as we go below the rim of the Grand Canyon on a two-day guided hike. You pick the trail. It can be as easy or hard as you want. There is a trail for everyone!

Do you know of someone who doesn't want to hike, but wants to enjoy the magnificence of the Canyon? They can come too!

Welcome Haiti as our Newest Program Partner

We are excited to announce that Save One Life has a new program partner! Welcome Coastal Haiti Mission! After 16 years of working to start a program in Haiti, we finally succeeded.

Our founder and president, Laurie Kelley, had the pleasure to meet with members of the nonprofit based in North Grafton, MA. Pictured below are Carl Lamour and executive director Ken Johannson. Pastor Coty Joseph and wife Nana (a nurse) run a church and school for 200 children in need.

Also meet Steventz and Louvens, brothers with hemophilia who are registered with the church and school. Pastor Coty Joseph and Nana live right near the boys, and Nana can infuse them! 2020 will be a great year for them all!

Message to our Sponsors

Thank you to everyone that sponsors beneficiaries in one of our 14 countries. Your donation has a profound impact on their lives!

In 2020, we will not be sending paper sponsorship renewals. Instead, we invite you to access your account by visiting saveonelife.net. In the top right corner click on "my account". Your username is your email address and you will be asked to create a password. You can enter a payment method, see information about and from your beneficiary(s), tax information and more!

Finally, many sponsors have increased their donation to \$420 a year (\$35 a month). That is the amount for all brand new sponsorships. Please consider increasing your donation to help us meet our beneficiaries' needs. 100% of the increase goes to them.
