In Memory of Eileen Morrow

In October, the Save One Life family lost a cherished member, Eileen Morrow. Eileen, mother of Save One Life founder and president Laurie Kelley, has been a champion of our work from the very beginning. She believed deeply in supporting those in need, and lived her life helping others.

Eileen, a school teacher, raised seven children and two great-grandchildren. No matter how busy, she still found ways to give to causes she believed in! She sponsored children through Save One Life for many years and donated to her church and community. She believed strongly that there was always more to give.

Even after her passing, Eileen found a way to help. She bequeathed funds to Save One Life for the creation of the Eileen Morrow Memorial Sponsorships, which will provide funds for 14 sponsorship recipients through their graduation from the program.

Save One Life will be forever grateful for the support of Eileen Morrow, and we send our deepest condolences to the entire Morrow family.

Laurie Kelley thanks her mom during our 20th Anniversary event.
