

# OneVoice

February 2021

Dear friends,

This February edition of OneVoice finds all of us in the northeast looking forward to signs of spring. With warmer weather approaching we are excited to announce Wheels for World 2021! I hope you will join me in staying active and cycling for a great cause.

With gratitude,

Chris Bombardier  
Executive Director

**WORLD**

2021

August 1  
September 30

## Registration is Open!

Grab some friends. Push your limits! Join Save One Life and be part of the team that rides anywhere and in any way to support those with bleeding disorders in developing countries.

Last year over 150 cyclists from three continents raised over \$55,000. Our 2021 goal is to raise over \$75,000 and have more than 200 cyclists. We hope you come along for the ride!

## 2020 Annual Reports

**Project SHARE—  
factor shipped to  
28 countries.**

**Micro-Enterprise Grants—  
32 grants awarded  
in 4 countries.**

The global pandemic affected everyone around the world, including our program partners. Lockdowns made it difficult to get factor to patients and Save One Life saw a decrease in requests for micro-enterprise grants (MEG).

Thankfully, we were able to work collaboratively with program partners, hospitals and nonprofits to still assist those with bleeding disorders.
