Nepal Summer Camp

Did you know that Save One Life provides Summer Camp Grants?

These grants make it possible for our program partners to offer camps to their members—fostering camaraderie and social inclusion, life skills such as self-infusion and good fun! Camps create memories that can transform a life. For some campers, this may be the only time in a year they receive prophylactic treatment.

In early July, the Nepal Hemophilia Society (NHS) hosted a summer camp, funded in part through a Save One Life Camp Grant.

Over two days, 40 people enjoyed swimming, talent shows, games and a barbecue. Campers were also provided self-infusion training and opportunities to connect over shared experiences.

"On behalf of the Nepal Hemophilia Community, thank you so much for supporting our summer camp. This camp has a lot of positives and has empowered youths in many ways."

Mukunda Mani Ghimire
President, Nepal Hemophilia Society

Save One Life commits to sending sponsorship funds to beneficiaries — even after they lose a sponsor.

1220 children sponsored through our Sponsorship Program
115 covered by the Save One Life Community Fund

Please consider sponsoring **one of the 115 children** available for sponsorship, like 4-year-old Budhamithran from India.

Budhamithran has severe hemophilia A, and the sponsorship funds are vital to his family. **Please sponsor Budhamithran!**

Ride anywhere—inside or out!

Don't miss our *3rd annual NEHA Day*, happening on **July 30** in Providence, RI.

Can't make it to Providence?

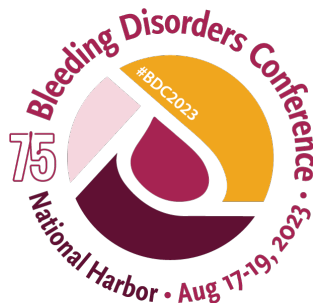

We will be hosting more rides across the country, including:

Aug 12 in **Portland, OR**

Aug 30 in **Missoula, MT**

and more!
