## A Simple Thanks is Not Enough

This is Russel, who was recently sent factor through our Project SHARE program to help him heal from a hip bleed. Russel is a beneficiary of our sponsorship program from the Philippines. This was his third hip bleed, which impacts his work as a content moderator. His mother Richelle is a single mom to three children, so Russel helps support her and his two sisters, which allows them to continue their education. Him being out of work is very difficult for their family. Luckily, with the factor sent to them by Project SHARE, Russel has made a quick recovery.

Russel, from the Philippines, with his mom Richelle

Russel and his mom sent us these beautiful thank you messages:

*"A simple thanks is not enough for the help you gave to my son. It really helped him a lot to recover faster. Thank you for the helping us unfortunate hemophiliacs with no easy access to factor IX and the capability to*

buy. Again, thank you." - Richelle

"I'm thanking Project Share again with all my heart, for the immediate action regarding my case. Giving me another chance to be normal again! Thank you! I hope all the best for Project Share!" - Russel

Thank you to everyone who donates factor, so we are able to help more families like theirs!

Learn more about Project SHARE **on our website.**

*Thank you Takeda for their generous support of Project SHARE.*

### **Save One Life commits to sending sponsorship funds to beneficiaries — even after they lose a sponsor.**

**1198** children sponsored through our Sponsorship Program  
**76** covered by the Save One Life Community Fund

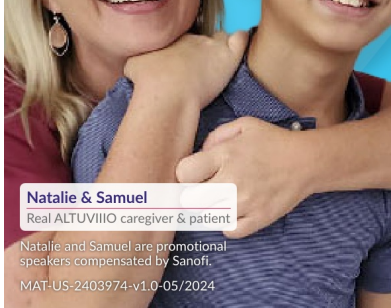

Please consider sponsoring **one of the 76 children** available for sponsorship, like Benjamin from Ghana.

Benjamin has severe hemophilia A and hopes to become a pilot.

His family's income is less than \$50/month and sponsorship funds are used for hospital bills, at-home first aid and transportation to the hospital.

**Let's help this family — Sponsor Benjamin!**

## Stand Up to Save Lives An Evening with Alex Borstein

“Stand Up to Save Lives: An Evening with Alex Borstein” is an unmissable comedy event coming to Somerville Theatre on October 25, 2024!

Headlined by Alex Borstein and hosted by Michael DeGrandpre, prepare for a night of entertainment, laughter and the chance to make a difference.

Alex Borstein is an Emmy-award winning actress, comedian, writer, and producer. She is best known for voicing Lois Griffin in the animated comedy series *Family Guy* and her role as Susie Myerson in the series *The Marvelous Mrs. Maisel*. She is also well known for her role in *The Lizzie McGuire Movie*.

Alongside Borstein, several local comedians will have a chance to showcase their skills.

**Get Your  
Tickets!**

*Just 12 spots remain for our pre-show meet and greet with Alex! [Visit our website for more information.](#)*

Wheels for the World is Save One Life's premiere fundraising event — bringing cyclists of all levels from around the globe together to increase awareness of our organization's mission. Funds raised will directly help facilitate our programs in 15

together to increase awareness of our organization's mission. Funds raised will directly help facilitate our programs in 13 developing countries, serving people with bleeding disorders.

For those within driving distance of Providence, RI or Philadelphia, PA we invite you to join us to ride 30-mile courses great for families and cyclists of all levels. Following the rides, participants enjoy free lunch and time with other community members.

Not into bike riding? Can't make it on those dates? No problem - our virtual ride is for you! Anytime, anywhere you can log your miles and watch your place on the up-to-date leaderboard.

Fundraise \$250 to receive a custom Save One Life cycling jersey!

Set up a fundraising page during registration and get the word out about what Save One Life means to you. Connect a Facebook fundraiser to your page, set up a livestream, or simply send an email to your network. Every dollar raised helps us run our programs.

An advertisement for Kovaltry. On the left, a man is smiling and holding a lit sparkler. The background is dark with some lights. On the right, there is a blue and green geometric graphic. The text 'Kovaltry' is in white, with 'Antihemophilic Factor (Recombinant)' in smaller text below it. Below that, it says 'Are you curious about KOVALTRY?' in large white letters, followed by 'Talk to your doctor' in green with a right-pointing arrow. At the bottom, in small white text, it says '© 2023 Bayer. All rights reserved. Bayer, the Bayer Cross and Kovaltry are registered trademarks of Bayer. 2/23 PP-KOV-US-0686-1'.
