## Many Thanks

Save One Life would like to recognize Jodi Weeks for five years of extraordinary service. As our development manager, Jodi helped create and expand our fundraising initiatives and build awareness of the organization. Though we are sad to see Jodi go, we are incredibly grateful for her dedication and wish her continued success!

Giving Tuesday is right around the corner!

Help us raise \$420 to support a child in our sponsorship program — just like Daniel and Francis. Your support will help pay for basic needs including transportation to hospitals, school fees and sometimes even food.

Give a gift to a family — make a donation today!
