Updates from Usha

Our India Program Coordinator, Usha Parthasarathy, spent the past few weeks traveling to visit several of our program partners throughout India. Usha administers Save One Life programs to more than 660 beneficiaries in over 30 chapters spanning the vast country.

She met with current beneficiaries to hear how the programs of Save One Life are impacting their lives.

Usha shared some inspiring success stories. She also visited with potential applicants for sponsorship, scholarship or micro-enterprise grants (MEG).

Usha with sponsorship families.

Dhanushree is currently working towards her Bachelor of Science degree in a Physician Assistant program.

Her father recently passed away and a

Save One Life scholarship will allow her to complete her degree.

Usha meets with Dhanushree.

Kumaran shows his sewing machine.

Kumaran received a micro-enterprise grant to buy a sewing machine in 2019.

He worked hard to make his business successful. He used the profits to buy a small hand-weaving loom and now makes sarees to sell.

**Save One Life commits to sending sponsorship funds to beneficiaries —
even after they lose a sponsor.**

1223 children sponsored through our Sponsorship Program
125 covered by the Save One Life Community Fund

Please consider sponsoring **one of the 125 children** available for sponsorship, like 9-year-old Alvin from Kenya.

Alvin has severe hemophilia A. He hopes to help other people with hemophilia by becoming a doctor.
Let's find Alvin a sponsor!

Ride anywhere—inside or out!

Please join us congratulating Doug on successfully completing the 2023 Wheels for the World cross-country ride!

Doug dipped his tire in the Atlantic Ocean after 43 days of riding. To honor the legacy of Barry Haarde, Doug peddled 3,786 miles across the country!

There is still time to make a **donation to Doug's ride.**

Save One Life is proud to announce James Setliff as the 2024 Wheels for the World cross-country rider.

Beginning in March, James will be riding from San Diego, CA to St. Augustine, FL!

James is a longtime member of the Lone Star chapter and counted Barry Haarde as a close friend. He is honored to ride to continue Barry's legacy.

We have *one more* community ride scheduled on **Nov 5 in Tempe, AZ**

Join us in Tempe - before Wheels for the World 2023 comes to an end!
