Cheers to You!

Dear Friends,

This month we wrapped up two events—Wheels for the World and Save One Life's 20th anniversary.

Combined, these events raised over \$230,000 and we are so grateful! Special thanks to Kate and Craig Muir, longtime supporters of Save One Life, for their *very generous* \$100,000 donation during our LiveStream event.

With your support we have been able to assist over 2,500 people living with a bleeding disorders around the globe!

With gratitude,

All of us at Save One Life

Project SHARE finds a way

The situation in Afghanistan has drastically changed how we assist patients. Asadullah had received donations in the past, but due to unrest within the country SHARE couldn't ship directly to him. A coordinated effort with his relatives in Pakistan allowed SHARE to get Asadullah life-saving factor.

He sent this note: "Thank you so much, you really helped me. I have suffered much difficulties with my hand, teeth and leg bleeding. The situation in Afghanistan is not good but at this situation you helped me. Thanks."
