How Our Scholarships Help

The Save One Life Scholarship Program makes it possible for young people with bleeding disorders to create new opportunities for their lives through post-secondary education. Since 2012, the program has provided 378 scholarships to 214 students in 10 countries.

We are proud to share updates from two of our scholarship recipients. Sai, from India, is currently working towards his degree in Visual Communications. Charles, from Kenya, shares his story below.

The Hemophilia Society Madras Chapter shared this thank you letter from Sai.

Dear Save One Life.

I am writing to express my deepest gratitude for awarding me the Scholarship for this academic year. I am truly honoured and humbled to be selected as the recipient of the Scholarship. Your generous support means the world to me and my family, especially considering the challenges I face as a young boy with hemophilia.

Living with hemophilia has presented its share of physical and emotional obstacles throughout my life. However, I have always believed that education is the key to overcome adversity. With this scholarship, you have lightened my financial burden and given me the opportunity to pursue my dreams without additional worries.

The financial assistance provided by Save One Life will not only help me cover the cost of tuition, books, and other educational expenses but also enable me to focus on my studies and personal growth. I am committed to maintaining high academic standards and making the most of this valuable opportunity you have granted me.

Thank you from the bottom of my heart for helping me achieve my dreams. Your kindness and generosity will forever hold a special place in my heart.

Charles shares his experience with the Scholarship Program.

The Save One Life Scholarship Program is generously supported by:

**Save One Life commits to sending sponsorship funds to beneficiaries —
even after they lose a sponsor.**

1220 children sponsored through our Sponsorship Program

113 covered by the Save One Life Community Fund

Please consider sponsoring **one of the 113 children** available for sponsorship, like 14-year-old Sujitha from India.

Sujitha has von Willebrand disease, and she is newly enrolled to our program. **Let's get Sujitha her first sponsor!**

Ride anywhere—inside or out!

Doug Mildram is biking from Portland, OR to Portland, ME. He is fundraising for Save One Life, continuing the legacy of Barry Haarde.

Portland — Portland

3,256 miles ridden
535 miles remain

**1 East Coast Celebration Event
Oct 7 - Portland, ME**

Join Us!

 Save One Life, Inc. is in South Dakota.
September 17 at 1:00 PM · 🌐

Doug with all his new, self-proclaimed, cattle friends! When all you see while biking through South Dakota is corn and cattle, even the cows become your friends 🐄🌽
