Kenya Children's Fund is a 501(c)(3) nonprofit Christian organization that seeks to transform the lives of Kenya's impoverished children by providing life's basic necessities: education, nutrition and medical care. Kenya Children's Fund empowers children who live in one of the poorest areas of Nairobi, Kenya.

Empowering Children through Primary Education:

Today Kinyago-Dandora Primary School (KDS) has an enrollment of more than 500 children in grades Pre-K through 8.

Empowering Children through Secondary Education:

Upon graduation from KDS primary school, students are enrolled in our Kinyago-Dandora Secondary School (KDSS) located in Dandora.

Empowering the Community:

We also serve the surrounding communities by providing health care programs such as family planning, AIDS awareness and personal hygiene. Our Kenyan pastoral staff ministers to the community through spiritual care and counseling.
