Helping People with Disabilities Achieve Their Dreams

Our Beliefs

Here at Hope, we have expressed our corporate culture as a commitment to building a castle of *Trust* upon a foundation of spirituality, for a community of *Membership* to thrive and awaken *Dreams*. The *Essence* of any corporate culture can be found in its *Beliefs*, *Values*, *Mission*, *Vision*, and *Expectations* regarding member behaviors.

We Believe...

- ...in the dignity of life.
- ...in doing the right thing.
- ...that within each person there is an essence of beauty, value, worth, and goodness.
- ...in selfless leadership.
- ...that compassion and forgiveness are virtues.
- ...that understanding and effectiveness come with empathy, not sympathy.
- ...that all people seek a sense of belonging and competence to feel worthwhile.
- ...that conflict is “normal.”
- ...that “Magic Moments” not only happen but can be fostered.
- ...in the importance of an ethical and moral foundation within a spiritual life.
