

# Cooking Class

**Every Tuesday**  
**2:45pm - 6:00pm**

This class will try new recipes and cooking techniques each week. We will be trying both savory and sweet foods. We will be cooking on hot plates, woks, griddles, and maybe a grill! The goals of this class include understanding food preparation, kitchen safety, following a recipe, and working together as a group to create a recipe. This is a great way to meet new friends and socialize while doing an activity and eating wonderful food.

**Activity cost: \$5**
