

Let's Get Crafty

**Every Wednesday
10:00am - 12:15pm**

This class will provide participants with the opportunity to work on various projects – both big and small. Activities will range from multi-week art projects like beading and painting to stand alone activities in which practical and/or decorative products will be made to take home. This class will focus on artistic expression, attention to detail, and the use of various tools and techniques based on each project. The group will be able to learn new skills, create products to take home or to sell in our Gallery. The price will vary depending on the projects that we do.

Activity cost: \$0 - \$10
