(Share prayerfully and honestly with one another)

Leader Health Check:

- How is your personal spiritual health and heart?
- Are you gratefully and joyfully leading your group?
- Are you tired? frustrated? overwhelmed? discouraged?
- Are you (both) modelling authenticity and vulnerability?
- Are you keeping Christ at the centre of the group?
- Are you practically and spiritually prepared for meetings?
- Are you honing your leadership skills?
- Do you see yourself as a shepherd and a disciple-maker?

Group Health Check: (Relational. Spiritual. Missional.)

- Is attendance consistent and commitment high?
- Is the trust strong, and the sharing deep and real?
- Are the women connecting outside the weekly group time?
- Are you consistently practicing the "one another's"?
- Is there evidence of spiritual growth in each woman?
- Are you providing the women a nourishing, balanced diet?
- Are the women spending quality time with God each day?
- Has your group become isolated and self-focused?
- Are you missional—caring, giving, serving, discipling?
- Are the women attending and serving in their local church?
- What is your next level as a group?
