Letter from our Rector-President

*Reverend Monsignor
Pablo Navarro.
Rector-President*

Dear Friends,

I wish to take this opportunity to greet you. As I resume the ministry of Seminary Formation, after many years, the philosophical questions come back to haunt me: Who am I? Why am I?

One of the peculiar traits of us human creatures of God is that we are the only living beings on earth that do not automatically grow into what we are supposed to be according to God's creative plan.

A tree becomes a tree. A horse becomes a horse. All these creatures and all other creatures are not out there making decisions about who or what or why they are. They just are. But in our case, certain decisions must be made; certain choices have to be made, in order for us to grow into full humanity. There is a learning process we must undergo. There are discoveries to be made.

The wonder of the coming of Jesus Christ into our lives is that HE shows us the WAY to become fully human ...the kind of persons God wants to us to become. In the process of Seminary Formation we learn many lessons, develop many skills, and pursue many activities. But all of these are a sub-text for the grand course we need to take in pursuit of genuine answers to the questions of who we are and why we are and where we need to be going with our lives as we take to heart the teachings of our Lord.

In other words, as it has been said, "We are born into God's school of «Learning how to love»." And Jesus Christ is the supreme teacher and model of what it means to be a graduate of this Divinely created school. Jesus summed it up very succinctly when he said to his disciples, "For the Son of Man Himself did not come to be served but to serve."

I am blessed to be a part of St John Vianney College Seminary and Graduate School. We take great pride in our academic achievements while always keeping in mind that these will always need to serve our mission to follow Christ and His teaching.

Please pray for us that we may remain faithful to our mission.

In Christ,

Msgr. Pablo A. Navarro
Rector/President

General Information

History and Development

Archbishop Coleman F. Carroll, first Archbishop of Miami, founded St. John Vianney in September of 1959, less than one year after the establishment of the diocese. He called the Seminary “the first and most important project of this new diocese.” From its earliest days, the Seminary provided excellent priestly formation for the young diocese and other parts of Florida. Archbishop Carroll entrusted the Seminary to the care of the Congregation of the Mission – Vincentian Fathers – who remained at the Seminary until 1975.

St. John Vianney originally combined a four-year high school with a two-year junior college program preparing young men for major seminary studies. High school classes began in 1959 followed by the college program in 1960. St. Raphael’s Chapel, famous for the beauty of its architecture and artwork, was dedicated in 1966 as the centerpiece of the Seminary’s campus and life.

In 1975, responsibility for the care and operation of the Seminary returned to the Archdiocese.

At this time, the Seminary was restructured to meet the changing needs of a rapidly expanding Florida Church. The high school program closed in 1976 and St. John Vianney developed a four-year college seminary program in 1977 focusing on a major in philosophy. With this change came the new name – St. John Vianney College Seminary.

The College Seminary recognized early the great need for priests who could minister in both English and Spanish in order to serve in the multicultural parishes

of Florida. To meet this need, the College Seminary initiated its bilingual and multicultural program in 1975. Successive generations of faculty and students have cultivated and benefitted from this unique aspect of the College Seminary. Today St. John Vianney is among the few institutions nationwide offering a bilingual academic and formation program. The multicultural environment of the city of Miami and of the College Seminary community offers a unique formative opportunity to the students by teaching them to appreciate and value the richness of cultures present in the Church they will serve.

Chartered in 1961 under the laws of the State of Florida, the college seminary is annually licensed by the Commission for Independent Education. In December 1970, the Southern Association of Colleges and Schools Commission on Colleges, Inc., (SACSCOC) accredited the two-year Associate in Arts degree program. In December 1980, SACSCOC accredited the college seminary to award a Bachelor of Arts Degree. Since then, the institution has continued to be accredited by SACSCOC; most recently, in June 2007. In 2019 the institution was approved to offer a M.A. in Philosophy, both on Campus and Online.

Archbishop Edward McCarthy, the second Archbishop of Miami, dedicated the Maytag Memorial Library and Administration

Building in 1983. The modern library facility has become the center of academic life and research for the college seminary's faculty and students, as well as others outside the college seminary community. Through the years, the Maytag Library has expanded to become the largest bilingual collection of philosophy and theology in Florida.

In 1982, St. John Vianney began a Pre-Theology Program to serve the needs of those candidates for the Roman Catholic priesthood who have completed their baccalaureate degrees and are preparing to enter graduate studies in theology. These candidates enter this two-year degree program (B. Phil) to fulfill the necessary requirements in philosophy and theology laid down by the Program of Priestly Formation and the Ratio Fundamental Institutionis Sacerdotalis. In 1985, the College Seminary further expanded its services by opening its academic program to non-seminary students. Beginning with the 2019-20 academic year, entering pre-theologians who meet the requirements for admission to the new M.A. in Philosophy, will have the option of registering in the Master of Arts in Philosophy program.

Under the leadership of Archbishop John Clement Favalora, the third Archbishop of Miami, St. John Vianney continued to move forward to meet the challenges of a new century. Presently, under the leadership of Archbishop Thomas Wenski, the college seminary takes pride in its service to the Florida Church, continuing its tradition

of providing excellent priestly formation to dioceses and religious communities. St. John Vianney also meets the needs of a variety of non-seminary students who seek out superior academics in a bilingual, multicultural context. Archbishop Thomas Wenski, like his predecessors has made sustaining the tradition of excellent priestly formation at St. John Vianney one of the highest priorities of the Archdiocese of Miami.

Location

St. John Vianney College Seminary is located in metropolitan Miami-Dade County, which includes the city of Miami. South Florida living offers a rich mosaic of experiences and vistas. The local Church is a dynamic microcosm of the Universal Church, where the Mass is celebrated in seventeen different languages each Sunday. The local community, which includes over two million people, is an American gateway to the Caribbean and Latin America, creating an exhilarating and unique cultural environment. Miami has also become an international center for banking and investment, and one of the largest import/export cities of the United States.

Because of its location and its climate, Miami is quickly becoming one of the most important cities in the United States. Miami is, for the present, what Ellis Island was in the past, a place of refuge and safe harbor for thousands of people starting a new life. This is not a new situation for the Church in the state of Florida, which has long dealt

pastorally with an enormous influx of people. Even before the Cuban refugee migration of the early 1960s and the subsequent influx of refugees from other parts of the Caribbean and Latin America, Florida had become an increasingly popular destination as a retirement and vacation site for countless hundreds thousands of Americans.

The Church has continually attempted to keep pace with the growth and changes in the Catholic population throughout Florida and especially in Miami. St. John Vianney College Seminary and its sister institution, St. Vincent de Paul Regional Seminary located in Boynton Beach, Florida – seventy miles from Miami – are two of the ways in which the Catholic people of South Florida have attempted to respond to the pastoral needs of the faithful in this region of the country.

The enormous investment of personnel and resources to the operation of St. John Vianney College Seminary reflects an energetic, vital and deep-seated commitment on the part of the people of God of South Florida to provide quality education for the priests of the future.

With the approval of the Admissions Committee, religious and lay men and women who are interested in the academic programs of the College Seminary can enroll as part-time or full-time students working towards a B.A. or a M.A. degree in Philosophy. The Master's degree is also offered Online.

The Archdiocese of Miami, which sponsors St. John Vianney College Seminary, consists of over

one million people. St. John Vianney and its students make a conscious effort to make use of the diverse forms of ministry which comprise the Church of South Florida, so that its graduates, who continue on through theology to the priesthood, will be well trained to serve a diversified and vibrant Church.

Institutional Mission

The fundamental purpose of St. John Vianney College Seminary is to provide undergraduate and

graduate education and formation for those students whose stated objective is to discern a call to serve the Catholic Church as priests. The institution assumes, as its specific responsibility, the academic, spiritual, pastoral, and human formation of college seminarians within a bilingual (English-Spanish) and multicultural setting. The college seminary is also committed to provide academic opportunities, both on-campus and online, for laity and others who may be enriched by its services.

Institutional Goals

In order to carry out its stated mission, the institution must engage young men in formation so that they can more clearly discern their call, better understand what is expected of the optimal candidate to the priesthood and come closer to achieving it. To this end, St. John Vianney College Seminary sets for itself the following goals:

1. The institution will provide an academic environment and programs in which students can:
 - a) Encounter a wide range of human learning, with a special emphasis in the humanities.
 - b) Deepen their understanding of the mysteries of the faith.
 - c) Appreciate the relationship between faith and reason.
 - d) Become prepared to understand the teaching office (*munus docendi*) of the priesthood.
2. The institution will provide services of spiritual formation that promote and foster spiritual life for students, as individuals and members of a community, through which they will grow in the life of union with God the Father through his Son Jesus Christ in the Holy Spirit.
3. The institution will provide opportunities for service within the Seminary community and within the community at large which will:
 - a) Foster in students an appreciation for the role of “shepherd of souls.”

- b) Develop skills that will better help them to be people of service.
4. The institution will provide an environment and formation programs in which students can:
 - a) Grow in human and affective maturity.
 - b) Be better prepared to be bridges for others in meeting Jesus Christ, the Redeemer of the human race.
5. The institution will provide various administrative and support services to meet the reasonable human and institutional needs of its students.
6. The institution will support the well-being of students through a safe campus with properly working facilities that meet the practical needs of students.
7. The institution will support an Office of Institutional Research to:
 - a) Oversee the institutionally wide process of planning and evaluation.
 - b) Monitor the improvement of its programs.

Non-discrimination Policy

In administering its affairs, St. John Vianney College Seminary conscientiously seeks to comply with all applicable legislation concerning non-discrimination in employment practices and in development of personnel, respecting the character and mission of this institution as a seminary of the Roman Catholic Church.

Program of Priestly Formation

The Tradition of Catholic Education

In a time when education is so often associated with the pragmatic learning of skills for a specific task, Catholic education nobly continues a deeper tradition. The Congregation for Catholic Education reminds us that in Catholic education, there is “no separation between time for learning and time for formation, between acquiring notions and growing in wisdom.” Therefore, Catholic Education, which understands education as formation and as more than simply seeking to address content information, places its educational focus on the growth and identity of each human person in light of Jesus Christ. A Catholic Education imparts a rich cultural heritage that fosters a capacity for wisdom in the midst of the world and the ability to respond more fully to one’s baptismal calling.

Priestly Formation

All the more, in priestly formation the challenge is to minister to young men discerning the ministerial priesthood in ways that will open them to the identity that will become theirs through sacred orders. It is a journey of deep and continued conversion to Christ. Formation must challenge them to be open to receive the wisdom that comes from above – and be transformed by it.

As in the days of the first disciples, priestly formation happens at the feet of the Lord, as young men continue to learn His teachings, seek His wisdom, and are formed according to His heart. The Fifth Edition of the *Program for Priestly Formation*, approved by the United States Conference of Catholic Bishops, guides the Formation Program of St. John Vianney College Seminary. Following the teachings

of Pope John Paul II in his Apostolic Exhortation, *Pastores Dabo Vobis*, four dimensions of this formation are identified: Human Formation, Spiritual Formation, and Intellectual Formation and Pastoral Formation.

It is understood that certain levels of readiness must be attained before one can be considered ready to freely enter into priestly formation. The principle of gradualism challenges each candidate to continue growing in the four pillars at levels appropriate to his place on the journey.

The Four Dimensions of Formation

Human formation is the foundation of priestly formation. Jesus Christ was fully human and fully divine. For a man in the ministerial priesthood to be

another Christ, he must first grow in humanity. Human formation seeks to help men become healthy and mature adults in the faith who can serve as bridges to others seeking Christ. This growth includes the issue of affective maturity and the preparation to embrace a life of chaste celibacy.

Our human formation finds its completion in our intimate union with the Holy Trinity. Spiritual formation directs our hearts to God. In the context of the seminary, it is specifically directed toward developing a priestly spirituality open to living the pastoral charity of the heart of Jesus Christ.

This pastoral charity directs us to love the Church with Christ’s spousal love. Pastoral formation directs young men to be men for others, through lives dedicated to works of mercy.

Finally, intellectual formation in the seminary tradition seeks to open young minds and hearts to

the wisdom found in the bringing together of faith and reason. Catholic education has always been committed to a strong liberal arts foundation, and seminaries continue that tradition. In a free-standing college seminary, all academics, be they general education, humanities, theology, or philosophy, have as their specific goal the formation of priests.

Community Life

Pope John Paul II called community life the “matrix of formation.” It is precisely in the mix of ages, cultures and backgrounds that we are required to grow as men of virtue. In the midst of community, one develops the necessary relational skills to be builders of community as priests in pastoral ministry.

Human Formation

The Human Formation Program of St. John Vianney College Seminary is intended to nurture, in the seminarians of the institution, the basic human qualities necessary for life in the ministerial priesthood of the Church. This program is designed in keeping with the norms established by the *Program of Priestly Formation* of the U.S. Conference of Catholic Bishops: “Candidates to the priesthood must give evidence of an overall personal balance, moral character, and proper motivation. This includes the requisite human, moral, spiritual, intellectual, physical, and psychological qualities for priestly ministry.” (PPF #5). The Human Formation Program thus

exists to empower seminarians to become mature, balanced men who can effectively exercise ministerial leadership in the midst of a diversified Church. In order to achieve this purpose, the Human Formation Program sets for itself the objective of forming seminarians in light of the following goals:

1. Seminarians who display emotional and psychological maturity.
2. Seminarians who demonstrate a healthy balance in their lives.
3. Seminarians who evidence openness to diversity.
4. Seminarians who demonstrate leadership.

Spiritual Formation

Spiritual formation is at the heart of any Seminary program. The College Seminary Director of Spiritual Formation coordinates the Program of Spiritual Formation. This program intends to promote and foster a spiritual life for students, as individuals and members of a community, through which they become better prepared to enter into intimate union with God the Father through His Son Jesus Christ in the Holy Spirit.

Growth in the spiritual life is fostered in many different ways. Formed by the Word of God, the seminarian is guided to discern his response to God’s call. The college seminary community gathers daily for the Holy Eucharist, and morning and evening prayer. Since a sustained communion with God is essential for the discernment to the priestly

life, students are expected to set aside time each day for personal prayer and spiritual reading. The Sacrament of Reconciliation is offered daily before the celebration of the Eucharist. Also, different devotions are an important aspect of the seminary’s spiritual life.

The purpose of the Spiritual Formation Program is to implement the spiritual development aspects of the Program for Priestly Formation by fostering in its seminarians the attitudes, habits, and practices of their spiritual life that will help them discern God’s presence in the world and in their lives. In order to accomplish this, the Spiritual Formation Program sets for itself the objective of forming seminarians in light of the following goals:

1. Seminarians who progressively develop their identity as men with a God-given human vocation.
2. Seminarians who progressively develop their sense of identification with the Church.
3. Seminarians who develop a sense of the value and relevance of the sacramental life to their human and Christian vocation.
4. Seminarians who progressively develop their understanding that love of God and love of fellow human beings is the foundation of a well-formed conscience.
5. Seminarians who progressively grow in love of their immediate community and of the human community at large.
6. Seminarians who progressively develop their understanding that the priestly vocation is a vocation to service.
7. Seminarians who progressively develop their understanding of

the importance of prayer and discernment in the life of service to the Church community.

8. Seminarians who progressively develop an appreciation of the importance and value of celibacy to their priestly vocation.

RETREATS - Retreats for spiritual growth are an integral part of seminary life. Days of Recollection are scheduled throughout the year, generally under the guidance of an outside director. In addition, there is a three-day retreat for the new seminarians as part of their New Student Experience and a major retreat is held annually for the whole student body.

SPIRITUAL DIRECTION - At the beginning of each academic year, every seminarian chooses a Spiritual Director from a list of designated priests. He meets with his Spiritual Director at least twice a month. The spiritual director is the key person in every seminarian's personal and spiritual growth, especially regarding his discernment of a vocation to the priesthood. According to Church law, their relationship is conducted in an atmosphere of confidentiality. All seminarians are required to take advantage of spiritual direction.

LITURGICAL LIFE - The college seminary is a house of prayer, and as such, liturgical life is intimately linked to all areas of formation. The center of that liturgical life is the Eucharist. Mass is celebrated daily, and seminarians are required to attend and assist with serving in various functions. Multicultural traditions are respected, with proper deference to the heritage of various Latin responses

and chants.

The Liturgy of the Hours is also a daily ingredient in the prayer life of a man discerning the priesthood of Jesus Christ, and is celebrated in common as part of the liturgical life of the college seminary.

Private devotions are encouraged, and the Rosary and a Holy Hour with Benediction of the Blessed Sacrament are celebrated in common on a weekly basis.

The Sacrament of Reconciliation is encouraged within the context of spiritual direction. The sacrament is also available through penance services and before each daily mass.

Pastoral Formation

The Pastoral Formation Program of St. John Vianney College Seminary exists to instill and nurture in its seminarians the ministerial sensibilities required for a life of active work in the Roman Catholic priesthood. This program

is designed in fidelity to the norms established by the *Program of Priestly Formation* of the U.S. Conference of Catholic Bishops: "The goal of the seminary program is to prepare priests who have a comprehensive pastoral outlook, ready to assume the pastoral duties which their service to the community demands. This service requires special concern for individuals and groups alienated from society and the Church either by accident or by choice." (PPF #193) The Pastoral Formation Program consequently is intended to assist the seminarians of the institution in becoming educated and self-reflective ministers of the Good News of the gospel, who are also sensitive to the varied needs and vulnerabilities of those to whom they are sent. This task is carried out in the following way: first, by helping the seminarians to become familiar with the basic reality of pastoral ministry and its required skills through coursework; second, by allowing the seminarians to exercise

and grow in those skills in the context of field education placements in the local community; third, in light of their coursework and field placement assignments, to assist the seminarians in assessing their understanding of ministry and their growth in its required skills through the exercise of self-reflection and guidance. In order to achieve this, the Pastoral Formation Program establishes for itself the objective of forming seminarians in light of the following goals:

1. College seminarians who understand the aim of pastoral ministry.
2. College seminarians who can work within the structures of pastoral ministry.
3. College seminarians who can assess pastoral effectiveness.

Intellectual Formation

The purpose of the Academic Program is to implement the academic aspects of the *Program of Priestly Formation*, which are necessary for St. John Vianney College Seminary to fulfill its goals and, thereby, its mission.

This means that the Program must offer the necessary elements to allow its graduates to earn a Bachelor of Arts in philosophy; or in the case of its pre-theologians, the necessary foundation in philosophy and theology for graduate studies in theology.

In order to accomplish this, the Academic Program establishes for itself the objective of forming

seminarians in light of the following goals:

1. Students who are well-grounded in the humanities.
2. Students who possess critical thinking skills which will enable them to analyze problems in an everyday context as well as in an academic context.
3. Students who develop an appreciation and respect for the value of learning and truth.
4. Students whose philosophical formation prepares them for theological studies at the graduate level.
5. Students whose undergraduate theological studies prepare them for graduate theological studies.

Academic Information

Admission

General Principles - A man who senses a call to priesthood and who has the support of his local church to pursue the discernment of that call should apply to a seminary. No other institution or discernment program can give to him the ministry entrusted by the Church to seminary formators. If a sense of a priestly call is present and affirmed by the local church, all should respond by “laying down their nets immediately and following the Lord as the Apostles did” (cf. Mt. 4:20).

The Church has a responsibility to discern wisely and prudently before calling a man to the Priesthood. No one has a right to Holy Orders. Therefore, formational discernment on the part of the Church is necessarily a slow process. In an age in which most educational institutions are trying to push students through, the Church demands that seminaries resist the urge to rush candidates towards ordination and use a “suitably prolonged period of formation” to assist the men to better form them academically, psychologically, and spiritually to meet the demands of ministry (Congregation for Catholic Education, 2008). With regard to transfer students, transfer placement in a class in formation is far from being a simple matter of counting credits. It is a matter of discerning

what is best for the Church and the growth of the individual candidate. Only the seminary has the authority to determine the class placement of its students.

Initial acceptance to a program of priestly formation must affirm that the candidate has the potential to be ordained. This requires certain levels of readiness for formation – even at its most initial stages. “All applicants need to have passed through certain thresholds of human, spiritual, intellectual, and pastoral development which will serve as foundations for further development” (PPF 36). The person needs to have a basic age-appropriate level of human development, affective health, psycho-sexual maturity, and the genuine empathy needed to enter into community life and the process of formation. The person should be one who already prays daily, participates in the life of his parish, and participates regularly in the sacraments, particularly the Sunday Eucharist and the Sacrament of Penance. He should possess the

intellectual ability to engage in college-level work. He should exhibit a sense of service and a willingness to be a man for others. In all of this, he must be one who can entrust himself to the Church with right intention (see PPF 37).

A Two-tiered Acceptance Process - All applicants who wish to enter St. John Vianney College Seminary’s program of priestly formation must first be accepted as a candidate of a diocese or religious community. The diocese or religious community will then coordinate with the individual the petition for acceptance by the Admission’s Committee of St. John Vianney.

Thus, a two-tiered acceptance process is in place. This is the requirement of the Congregation for Catholic Education. This two-step review allows a more thorough screening of candidates through two different acceptance processes, better guaranteeing the readiness of the candidate and safeguarding the atmosphere of formation.

Sponsoring dioceses and religious communities must send all relevant

documentation to the seminary in a timely manner (General Report of the Apostolic Visitation, Congregation for Catholic Education, 2008). Until this is done, the seminary may not make a decision regarding acceptance. The Admission Committee will meet in an ordinary session early in the Spring Semester or as needed. Spring Semester entrance is possible, but discouraged. Admission Committees members include: the Rector, the Vice-Rector/Dean of Students, the Academic Dean, the Registrar and the Chair of Philosophy and Theology.

Application Requirements

Seminarians

1. A completed seminary admissions form.
2. Diocesan/Religious Community Sponsorship Information.
3. Autobiography.
4. Proof of completion of High School or Graduate Equivalency Diploma (GED).
5. Official transcripts of high school and college credits (when applicable) sent in officially sealed envelope.
6. A high school and college GPA of 2.0 or above.
7. Successful completion of a psychological evaluation coordinated by the sponsoring diocese or religious community (specific listing of requirements for assessments available upon request).
8. Complete physical examination and record of inoculations.
9. Three letters of recommendation, including one from the applicant's pastor or from another priest in good standing who knows the applicant well.
10. A personal interview for applicants of the Archdiocese of Miami is required. The seminary may also require such an interview for other applicants if deemed necessary in individual cases.
11. A Letter stating that there are no Canonical Impediments.
12. All sacramental records issued within the last six months.
13. Background check through VECHS or country of origin.
14. Immigration status materials when applicable.
15. Those who have been in formation before will be required to obtain the documentation required by the Church in such cases.

Other Considerations - After the receipt of all necessary documentation, the Admissions Committee of the College Seminary will consider the application, make a decision, and inform the candidate and the sponsoring diocese or religious community of its decision. The Rector enjoys the canonical prerogative to revoke or change any decisions resulting from the procedural deliberations of all the institutional committees and councils (Canons 238, 239, 260).

After reviewing all of the necessary documentation, the Admissions Committee may request that the applicant visit the seminary for the purpose of interviews or further testing that may be necessary

to come to a decision.

All potential applicants are encouraged to visit the seminary prior to application. Vocation Awareness Weekends are scheduled twice a year to acquaint all prospective candidates with life at the College Seminary.

Again, the seminary encourages all who are considering a priestly vocation to seek the guidance of their local Church. If that Church affirms the potential for a vocation, the candidate should apply. A seminary is the place to discern and be formed.

Non-Seminarians - (Degree Seeking) - Non-seminarians applying for admissions to the College simply should address their application to:

Office of Admissions
St. John Vianney College Seminary
2900 S.W. 87 Avenue,
Miami, Florida 33165-3244

An application for admission by a non-seminarian is complete when the College has received the following:

The application for the non-seminarian will be processed by the Academic Division which will subsequently notify the applicant of its decision. All academic rules and requirements listed in this catalog apply to non-seminarians as well.

Transfer Credit Policy - The previous college credit of a transfer

student from an accredited institution will be accepted, provided that the grade for the course submitted was C (2.0 on a 4.0 scale) or better, and provided that the courses are compatible with the College Seminary's degree requirements. If the transcript is from an institution outside of the U.S.A., it will need to be assessed and translated by a consultant. Grades and grade point averages (GPA) will not be transferred, nor will they appear on the College Seminary transcript. For transfer policy in the Major, please refer to the Philosophy Department Section in the catalog. Acceptance of academic credit rests with the Academic Dean. Transfer of credit from this institution is at the discretion of the receiving institution.

Advanced Placement (AP) - College credit by examination is granted to students through the Advanced Placement Program (AP). At the discretion of the Academic Dean, and on a course-by-course basis, a maximum of 30 AP credits may be awarded for test scores of 3 or better in fulfillment of the General Education requirements. These credits are not considered in calculating the student's GPA. St. John Vianney College Seminary will accept a total of 30 credits from all testing programs.

International Baccalaureate (IB) - In fulfillment of the General Education requirements, and on a course-by-course basis, a maximum of 30 IB credits may be

awarded for scores of 4 or better in IB examinations. These credits are not considered in calculating the student's GPA. Acceptance of academic credit rests with the Academic Dean.

College Level Examination Program (CLEP) - At the discretion of the Academic Dean, credit may be awarded for satisfactory scores on the General Examination or Subject Examination of the College Level Examination Program. The maximum transferable credit under CLEP – general and subject examination scores combined – is 30 semester hours. CLEP credit will be granted in fulfillment of the General Education requirements. These credits are not considered in calculating the student's GPA. CLEP credits in any one discipline may not exceed six.

Cambridge AICE Diploma
In fulfillment of the General Education requirements, and on a course-by-course basis, a maximum of 30 AICE credits may be awarded. These credits are not considered in calculating the student's GPA. Acceptance of academic credit rests with the Academic Dean.

Registration

Course registration takes place prior to the official start of the semester for which courses are registered. Course registration will not be accepted after the late registration date. A military veteran should contact the Academic Dean prior to course registration to avoid any loss of eligibility and benefits.

Special Student (Non-degree seeking) Registration - A special student is someone who at the time of registration is not pursuing a degree at SJVCS. A limited number of semester hours earned as a Special Student may apply toward a degree program at SJVCS. Specific course registration can be arranged to meet the particular academic needs of such a student. No more than 25 semester hours earned as a Special Student may apply toward a degree program at the SJVCS.

A special student who desires to seek an academic degree, must complete all admission procedures as specified in the catalog.

International Students - A non-US citizen or resident whose home residence is outside the United States or its territories may attend the College Seminary under a student visa (F-1). Such a person must meet the regular admission requirements of the College Seminary, all governmental requirements, be full-time and not accept paid employment off-campus.

International Student Application Procedures - The applicant must apply for a student visa (F-1) through the American consulate or embassy in his home country.

The applicant must request and/or forward an Application for Admission at least three months before the first day of classes. The College Seminary will request a letter from the sponsoring Ordinary with the Declaration and Certification of Finances to the applicant upon acceptance of his application. The purpose of this letter is to verify that the total funds available to

the student during the period of enrollment will at least equal the total estimates of institutional and personal student costs.

The Declaration and Certification of Finances must be received at least six weeks before the first day of classes.

Upon verification of the student's finances, the College Seminary will forward to the student a Certificate of Eligibility.

Academic Advising

At the beginning of the academic year, the Academic Dean assigns an academic advisor to each student. The Academic Advisor assists each student in organizing a Plan of Studies pursuant to the College.

The Academic Advisor is also to serve as liaison between the student, the faculty, and the Academic Dean in academic matters.

Student Responsibility

The student is responsible for knowing and fulfilling all regulations and requirements of the Academic Program as described in the catalog. Any uncertainties should be resolved by conference with the Academic Dean. All exceptions must be in writing and signed by the Academic Dean.

Examinations and Reports

All examinations and/or

assignments in a given course are administered at the discretion of the individual instructor. The Academic Dean schedules only the final examinations for all courses. At the end of each semester, students are given the opportunity to evaluate the courses taken and their instructors, using a standardized form.

Independent Study

An independent study course is a tutorial course designed to meet the particular needs of a student. Such course work can be taken for credit, provided that the necessary arrangements have been made with the instructor after consultation with the Academic Advisor. The permission of the Chair of the Department or Coordinator of a Program is required when the proposed independent study course involves either a faculty member of a Department or Program.

The permission of the Academic Dean is always required.

The contents and standards of an Independent Study Course must be equivalent to a regular academic offering. An Independent Study Course cannot normally substitute for required course credit and can be undertaken only under special circumstances.

Grading System

The goals and the student's learning outcomes required for the successful completion of each course are specified in the course's syllabus as determined by the instructor. A copy of the syllabus for each course is maintained in the Office of the Department and in the Office of the

Academic Dean. The following scale is used in assigning grades:

A	93-100%.....	3.72-4.00
A-	90-92%	3.60-3.71
B+	87-89%	3.48-3.59
B	83-86%.....	3.32-3.47
B-	80-82%.....	3.20-3.31
C+	77-79%	3.12-3.19
C	73-76%	2.92-3.11
C-	70-72%	2.80-2.91
D+	67-69%.....	2.68-2.79
D	63-66%.....	2.52-2.67
D-	60-62%	2.40-2.51
F	Below 60%	Below 2.40
FA	Failure because of absences.....	0.0
I	Incomplete	0.0
P	Satisfactory with credit	0.0
T	Audit.....	0.0
WP	Withdraw Passing.....	0.0
WF	Withdraw Failing	0.0
W	Withdrawal-no grade ..	0.0

Incomplete - A grade of incomplete (I) is assigned by the instructor of the course on a temporary basis to indicate that the student has been unable to complete the course work required by the syllabus. The decision to assign an incomplete is at the discretion of the instructor. A grade of incomplete must be removed within one month from the close of the semester. If no grade is sent, the incomplete grade is automatically changed to an “F” grade. The responsibility for carrying out the necessary work to remove the grade of incomplete falls on the student. Exceptions to this rule must be presented in writing to the Academic Dean for his/her approval.

Unit of Credit

Saint John Seminary College follows the semester credit hour system. In the case of traditional delivery courses, one semester credit hour typically consists of at least 50 minutes of instruction time per week (and approximately two hours of individual student work per week) for a period of 15 weeks. In the case of an online delivery course, there is no “seat time” requirement implicit in the definition of a semester credit hour: one semester credit hour simply consists of 3 hours of students work per week, for a period of approximately 15 weeks.

Course Additions and Withdrawals

At the beginning of each semester there is a grace period of one week during which a student may amend his semester registration by adding or subtracting a course after obtaining the approval of his/her Academic Advisor. Between the second and the fifth week of classes a student may withdraw from a course without a grade being recorded in his/her transcript. To see the corresponding refund, please see the financial information section.

Withdrawing from a course after the fifth week will be recorded as WP or WF. A grade of WF (withdrawal while failing) will count as an F in the computation of the student’s Grade Point Average.

Course Numbering System

The numbering of courses at St. John Vianney College Seminary is based on the following criteria: Freshman courses are numbered from 100-199; Sophomore courses are numbered from 200-299; Junior courses are numbered from 300-399; and Senior courses are numbered from 400-499. Graduate Courses are numbered 501-599.

Classification of Students

Full-time students: Students who carry twelve credits or more in any given semester.

Part-time students: Students who carry less than twelve credits in any semester.

Academic Status

Freshman	0-30 Credits
Sophomore	31-60 Credits
Junior	61-90 Credits
Senior	91+ Credits

A student’s academic status is not an indicator of his/her graduation date; it only indicates the number of credits successfully earned.

Scholastic Year

The scholastic year consists of two (2) semesters, fall and spring.

Course Load

The Undergraduate Full-time students must register a minimum of twelve (12) semester hours per semester and a maximum of nineteen (19) semester hours. Any student wishing to register for more than nineteen semester hours must secure the signature of both the advisor and the Academic Dean.

Class Attendance

Students are expected to attend all classes they are registered for. If a student expects to be absent, he/she should request permission in advance from the course instructor. In case of illness or any other justified reason, the Dean of Students will inform the Academic Dean who will proceed to inform the instructor. In all cases, students are responsible for making up any work missed due to an absence.

A total of three absences, excused or unexcused, from any class, may result in a grade of FA. Students in this situation will be referred to the Academic Dean. As with any disciplinary process, there is a process of appeal that is explicitly outlined in the *Principles of Formation Handbook*

Probation/Dismissal

A student whose GPA for a semester falls below 2.0 shall be placed on academic probation and must be officially notified by the Academic Dean of his/her status. A student on academic probation may not register more than 15 credit

hours. Under normal circumstances, a student whose GPA falls below 2.0 for two consecutive semesters will be dismissed. However, after consideration of the specific circumstances of a student, the Academic Dean may specify the requirements for continuing enrollment. A student who does not meet the requirements for continuing enrollment will be dismissed.

A student who has been dismissed may not be readmitted to St. John Vianney until he has taken courses at another institution in order to bring his overall GPA back up to 2.0 or higher. Readmission is not automatic. The Admissions Committee, who will make a recommendation to the Rector, must review it.

Transfer students who are on academic probation from their previous college are placed on academic probation at the College Seminary as well. Receiving a GPA lower than 2.0 for their first semester at St. John Vianney College Seminary may result in dismissal from the college seminary.

Repeated Courses

Required courses with a grade of F or FA must be repeated. If they are not required courses, they may be repeated. Students may also repeat a course to improve the grade earned in it. In any event, all grades received in repeated courses are recorded on the student's permanent record. However, credit hours are counted only once and only the higher grade earned is applied towards the computation of the student's GPA.

Re-admission

A dismissed student may be re-admitted provided that the condition(s) that warranted dismissal have been removed and the Ordinary or Religious Superior supports his re-admission.

Honors

Conferral of degrees with honors will be determined on the basis of the student's cumulative GPA. Graduating seniors who have attained an appropriate GPA level will be awarded the Baccalaureate Degree with academic distinction according to the following standard of academic excellence:

Cum Laude.....	3.50 GPA
Magna Cum Laude.....	3.65 GPA
Summa Cum Laude.....	3.80 GPA

Privacy Act of 1974

The family Educational Rights and Privacy Act of 1974 guarantees students the right to inspect and review their educational records. It also provides the rights of privacy protection by limiting the transferability of students' records without their consent. Specific guidelines for the implementation of the Act are administered by the appropriate College Seminary officials.

Academic Honesty and Integrity

High standards of honesty and

integrity must be maintained by all students. In the academic area, this applies to:

1. Cheating on assignments or examinations.
2. Plagiarism.
3. Unauthorized access to college records of any kind.

Violation of these standards could result in a failing grade on the assignment or in the course without the possibility of withdrawal. A student may face suspension or dismissal depending upon the nature of the offense as determined by the Rector-President.

Copyright and Plagiarism

St. John Vianney College Seminary students are expected to abide responsibly by the “fair use” doctrine for copyrighted materials. All written assignments should be prepared with full integrity according to the protocols of Turabian, *A Manual for Writers* (Sixth edition). Plagiarism is a grave offense which could result in an “F” in the course, and according to the specific circumstances surrounding the offense, the possibility of dismissal from the College Seminary. Students in this situation will be referred to the Academic Dean.

Grade Appeals Policy

A student may appeal the grade received on any given course provided that he/she follows the procedures listed below.

1. The student must request a

conference with the course instructor to review his/her grade for the course. If this conference results in the resolution of the student’s grievance to the satisfaction of the student’s appeal, the instructor must submit a grade change to the Registrar.

2. If the meeting with the course instructor is not successful in resolving the student’s grievance, the student must write an official request to the Department’s Chair or, in the absence thereof, to the Academic Dean officially requesting a review of his course grade.
3. Upon receipt of the student’s official request, the Academic Dean or Department Chair will convene a conference with the student and the course instructor in addition to others who may be requested to attend at the discretion of the Department Chair or Dean. After the Department Chair or Dean has reviewed all the pertinent materials submitted, he/she will issue a formal written decision on the matter.
4. If the Department Chair’s or Academic Dean’s decision is unacceptable to the student or the instructor, a Grade Appeals Committee will be convened by the Academic Dean. The Grade Appeals Committee will be constituted by:
 - a. A member of the faculty selected by the student.
 - b. A member of the faculty selected by the course instructor.
 - c. A member of the faculty agreed upon by the above.

5. The Grade Appeals Committee shall review all materials presented to them and shall render their decision to the Department Chair or the Academic Dean. This decision shall be final and binding.

Audited Courses - An audited course may not be changed to a credit course after the add/drop date.

Grade Point Average (GPA) - A student’s grade point average is determined by dividing the total number of quality points by the number of semester hours attempted (except for grades WP, T, or I). For graduation, a student must achieve a minimum 2.0 GPA in both his/her major program of studies and in his/her overall plan of studies.

When an “F” graded course is repeated, only the repeat grade counts. Though both attempts remain on the student’s transcript, the cumulative GPA will reflect only the grade of the repeated course. A student may not repeat a course more than three times.

Grade Reports and Transcripts - At mid-term, each student receives a grade report and at the conclusion of the semester a complete grade report is mailed to each student and, in the case of a seminarian and upon his consent, to the Ordinary or Religious Superior. Only the final semester grades appear on the student’s permanent record. An official transcript of academic credits, bearing the seal of the College Seminary and signed by the Registrar, will be provided to any institution, contingent upon an official written request signed by the student. Official transcripts are

not given directly to students. The transcript fee is \$30.00 per copy, payable at the time of the request. The College Seminary reserves the right to withhold the transcripts of those students who have not fulfilled their financial obligations and/or have failed to return all pending College Seminary property (e.g., library materials). Allow two weeks for processing a transcript request.

Computer Skills

At the time of admission, students will be evaluated for their computer skills. Students lacking basic computer skills must take a basic computer skills course.

English Placement Testing

Students whose first language is one other than English will be placed in either the immersion English for Academic Purposes (EAP) Program or the Academic Program according to the results of the English Placement Testing. If that student has completed one year of college, in a country where English is the official language, he or she is not required to take the test of English as a foreign language (TOEFL) but must achieve a satisfactory score on the English Accuplacer Placement Test. Upon graduation, entry to the academic program at St.

Vincent de Paul Regional Seminary requires a minimum TOEFL score of 75. This criterion applies to Pre-theology students as well as to undergraduates.

Entrance and Exit Testing for Assessment

Standardized and faculty developed testing are administered to students for the purpose of institutional effectiveness assessment at relevant points in their courses of study.

Academic Major

Philosophy is the major program of study leading to the Bachelor of Arts degree. The program of studies for the major includes a minimum requirement of 48 semester hours in philosophy (see Philosophy Department section in this catalog). The credit hour requirements (125 credits) for the Bachelor degree (B.A.) in philosophy are outlined in the Plan of Studies found on pages 24-25.

A Bilingual Program

The 5th edition of the *Program*

of Priestly Formation recognizes the growing pluralism in Church and society in the United States and recommends “the study of the Spanish language and Hispanic cultures as well as other pastorally appropriate languages and cultures.” (PPF 182) St. John Vianney is committed to support and advance this vision of the Church and of the formation of college seminarians. As stated in its Mission Statement, St. John Vianney is committed to the human, spiritual, pastoral, and intellectual formation of college seminarians within a bilingual (English-Spanish) and multicultural setting. Drawing from Miami’s multicultural richness, the College Seminary’s formation program pays special attention to the cultural realities of our country.

Lower level courses are taught in English and Spanish. Completing a course or program in a language other than English may reduce employability where English is required.

Library

The Maytag Memorial Library at St. John Vianney is one of the largest seminary libraries in the South. It first opened in 1981, and its bilingual collection has grown since then to over 56,000 volumes and about 150 periodical subscriptions. New electronic resources and

services are available to the faculty and students through automation. The library also provides different types of audio visual materials to serve the academic, spiritual, cultural and recreational needs of its faculty and students. These include compact discs, videos, DVDs, films, slides, etc. Since the fall of 1998, St. John Vianney has joined St. Thomas University in a cooperative electronic link of the two main libraries. This cooperative linkage has provided both institutions with greater access to many resources through the Web, and with interlibrary loan privileges through the SEFLIN network.

Tuition	\$23,100
Room & Board	\$12,000
Books	\$800
New Student Experience*	\$2,000
Total	\$38,000

**New Students Only*

The Archdiocese of Miami, and the Florida Bishops are committed in financially helping their Seminarians, as they discern their call to the priesthood, by giving them a 75% grant towards their tuition, room and board. The remaining 25% is the responsibility of the seminarian and his/her parents. Undergraduate seminarians need to apply for Financial aid at www.fafsa.ed.gov.

The fees shown above represent the total cost of tuition, room and board for each year. There are no additional fees than the ones described here. The annual per student cost at St. John Vianney is

in excess of \$35,100 per seminarian. The greater part of this cost is underwritten as a subsidy by the Archdiocese of Miami out of interest earnings on the seminary burse fund. Benefactors to the seminary throughout the history of the Archdiocese have allowed the Archdiocese to operate the seminary and cover operating costs over and above the income derived from tuition.

Tuition for part-time Undergraduate courses is \$300 per semester hour credit. The tuition for class auditing is \$250 per course. Tuition for Online Graduate courses is \$575.00 per semester credit without promotional discounts. There are discretions in tuition for those who have been involved in Ministry over a long period of time. Tuition charges are subject to change.

A student who is in debt to the College Seminary at the end of any given semester is not entitled to take the final examinations for his/her registered courses until his/her indebtedness has been discharged. Arrangements for payment of tuition, room and board must be made prior to or at the time of registration.

Refund Policy - Refunds of tuition, and/or room and board for students on campus and refunds of tuition for students online are based on the following schedule: during the first week, 100 percent; during the second week, 80 percent; during the third week, 60 percent; during the fourth week, 40 percent; during the fifth week, 20 percent. There is no tuition and/or room and board refund after the fifth week.

If a student is entitled to a refund of tuition and fees, the refund will first be applied to any sources of financial aid from which the student may have been awarded. Once all balances owed to SJVCS have been

satisfied, any excess funds remaining will be refunded to the student.

Refunds will generally be delivered to students in the form of a check unless the student has a valid Direct Deposit Authorization on file or payment has been made by credit card or gift card, in which case the excess credit will be returned to the card.

Students receiving federal and state financial aid should consult a financial aid counselor before dropping or withdrawing from courses to ensure compliance with federal and state requirements for satisfactory academic progress (SAP).

Request for refunds should be submitted via e-mail to the business office at finance@sjvcs.edu.

Refunds of tuition, room and board for students withdrawing from the College Seminary adheres to the following conditions:

- Refunds shall be made within 30 days of the date that the institution determines that the student has withdrawn.
- Nonrefundable fees regarding admission and registration of Florida students shall not exceed \$150.
- All monies will be refunded if the school does not accept the applicant or if the student cancels within three (3) business days after signing the enrollment agreement and making initial payment.
- Cancellation after the third (3rd) Business Day, but before the first class, results in a refund of all monies paid, with the exception of the nonrefundable fees.
- If the student withdraws before the end of the drop/add period, the student will be refunded all tuition and fees, as well as any funds paid for supplies, books, or equipment which can be and are returned to the institution.
- The refund policy shall

provide for cancellation of any obligation, other than a book and supply assessment for supplies, materials and kits which are not returnable because of use, within 3 working days from the student's signing an enrollment agreement or contract.

Personal Property Insurance -

The College Seminary does not provide insurance coverage for the personal property of students who live in seminary-owned housing. Students are urged to determine whether their property is covered by their own or their parents' homeowner's policy and to make immediate arrangements for coverage if deemed necessary.

Financial Aid

The Financial Aid Office at St. John Vianney College Seminary is dedicated to helping students find ways to finance their education. The financial aid staff is available to all current and prospective students weekdays from Monday through Friday and may be reached by calling the campus, scheduling an appointment, or on walk-in-basis.

Students wishing to receive financial aid must meet all eligibility requirements. The amount of financial assistance the student will be offered depends on the student's financial need.

If a seminarian or their family are unable to meet their financial responsibility, they should speak with their vocation director and/or financial aid officer for further financial assistance.

Please refer to Federal Student Aid (FAFSA) on line at

www.fafsa.ed.gov or call 1-800-4-FED-AID for application forms and specific information and guidelines.

Undergraduate seminarians need to apply for financial aid at www.fafsa.ed.gov

For those who qualify, St. John Vianney College Seminary participates in:

- Pell Grants
- Children of Disabled Veterans
- Florida Student Grants
- Bright Futures Scholarships
- Private Grants & Scholarships
- Archdiocesan or Diocesan

Grants

- Roughgarden Fund
- Holy Family Fund
- Sister Trinita Fund

Pell Grants - This is a need-based grant that is awarded to undergraduate students who do not have a Bachelor degree. Pell Grants can be used for any educational expenses, it is the policy of St. John Vianney College Seminary that the full amount of the Pell Grant will be used towards tuition.

Roughgarden Fund: The George Coventry Roughgarden and Nita Schmidt Roughgarden Fund were established by Miss Rita Patton in honor of the late Stephen Wheeler, a St. John Vianney College seminarian. Matched by the Archdiocese of Miami, its yearly income is used for a student grant.

Holy Family Fund: The Holy Family Scholarship was donated by a benefactor in memory of the Catholic family. The yearly proceeds of this fund assist seminarians in their seminary education.

Sister Trinita Fund: The Sister Trinita Scholarship Fund was set up to honor Sister Trinita on her Golden Jubilee of Religious Life. This fund's yearly income is used for student grants.

Veteran's Financial Assistance -

U.S. veterans and others interested in applying for veteran benefits should contact their local Veterans' Administration Office for specific information and forms. Persons receiving such assistance should periodically contact the VA office to learn about changing regulations.

Veteran's Attendance Policy -

Early departures, class cuts, tardies, etc., for any portion of a class period will be counted as absence.

Students are allowed a maximum of 3 absences a semester which would be 7.5% a semester. Per calendar month any student exceeding 1.87% total absences will be terminated from their VA benefits for unsatisfactory attendance.

In order to show that the cause of unsatisfactory attendance has been removed, students must show good attendance for one calendar month after being terminated for unsatisfactory attendance. After such a time, the student may be recertified for VA education benefits. The student's attendance record will be retained in the veteran's file for USDVA and SAA audit purposes.

Standards of Academic Progress for VA Students -

Students receiving VA educational benefits must maintain a minimum cumulative grade point average (CGPA) of 2.0 each semester, will be placed on academic probation

for a maximum of two consecutive terms of enrollment. If the VA student's CGPA is still below a 2.0 at the end of the second consecutive term of probation. The student's VA educational benefits will be terminated.

A VA student terminated from VA educational benefits due to unsatisfactory progress may petition the school to be recertified after attaining CGPA of 2.0.

Veteran's Credit for Previous Education Training - Students must report all education and training. The school must evaluate and grant credit, if appropriate, with the training time shortened, the tuition reduced proportionately, and the VA and student notified.

VA Pending Payment Compliance - In accordance with Title 38 US Code 3679 subsection (e), this school adopts the following additional provisions for any students using U.S. Department of Veterans Affairs (VA) Post 9/11 G.I. Bill® (Ch. 33) or Vocational Rehabilitation & Employment (Ch. 31) benefits, while payment to the institution is pending from the VA. This school will not:

- Prevent the student's enrollment;
 - Assess a late penalty fee to the student;
 - Require the student to secure alternative or additional funding;
 - Deny the student access to any resources (access to classes, libraries, or other institutional facilities) available to other students who have satisfied their tuition and fee bills to the institution.
- However, to qualify for this provision, such students may be

required to:

- Produce the VA Certificate of Eligibility (COE) by the first day of class;
 - Provide a written request to be certified;
- Provide additional information needed to properly certify the enrollment as described in other institutional policies.

SJVCS Repayment Policy - If a student withdraws or stops attending classes before completing 60% of the term, a portion of the total federal aid he/she received, excluding Federal Work Study earnings, may need to be repaid immediately.

The amount of federal aid the student must repay is determined by the Federal Formula for Return of Title IV funds (Section 484B of the Higher Education Act). This law also specifies the order in which funds are to be returned to the financial aid program from which they were awarded.

The student may be required to make a repayment when cash has been disbursed from financial aid funds in excess of the amount of aid he/she earned (based on the date of withdrawal) during the term. The amount of Title IV aid earned is determined by multiplying the total Title IV aid (other than FWS) for which the student qualified, by the percentage of time during which he/she was enrolled in the term.

If less aid was disbursed than was earned, the student may receive a late disbursement for the difference.

If more aid was disbursed than was earned, the amount of Title IV aid the student must return (i.e., not earned) is determined by subtracting the earned amount from the amount

actually disbursed.

The responsibility for returning unearned Title IV is shared between the College Seminary and the student.

The College Seminary and the student share the responsibility for returning unearned Title IV funds. This responsibility is allocated according to the portion of disbursed aid that could have been used to cover the College Seminary charges, and the portion that could have been disbursed directly to the student once those charges were covered.

The College Seminary will distribute the unearned aid back to Title IV programs, as specified by law. The student will be billed for the amount that he/she owes to the Title IV programs, as well as any amount due to the College Seminary after the return of unearned Title IV funds.

Standards of Satisfactory Progress - In order to receive any Title IV assistance, the student must be proceeding in a positive manner toward fulfilling the requirements for the B.A. degree. These requirements may ordinarily be fulfilled in eight semesters but a student may require up to ten semesters for completion.

A student on academic probation is still eligible to receive Title IV funds. However, he/she must meet the requirements for continuing enrollment specified by the Academic Dean. In case of dismissal, re-admission will be considered on a case-by-case basis. Should a dismissed student be re-admitted, he/she would be eligible to receive Title IV funds.

Undergraduate Academic Programs

All courses at St. John Vianney College Seminary are organized and grouped together under an appropriate department or program. Departments are headed by a Chair, programs are led by a Coordinator.

Philosophy Department

General Statement of Mission.

The program of the Philosophy Department is designed to provide a solid philosophical formation to men called to the ministerial priesthood in the Church and to others interested in studying philosophy within the catholic tradition. This program, designed in accordance with the mandate contained in the Program of Priestly Formation of the U.S. Conference of Catholic Bishops and the *Ratio Fundamentalis Institutionis Sacerdotalis*, is a threefold project: the formation of mature, wise human beings, the formation of committed and enlightened Catholics, and the formation of priests who understand and appropriate philosophical reflection for its own formational and sapiential value, and for its value as indispensable preparation for theological study.

The Philosophy Department serves as the specific instrument,

within the College Seminary structure, for the development of an academic environment conducive to a reading, learning and doing of philosophy that is meaningful and stimulating to the students who undertake its study, aiming to integrate it into their overall formation. This study of philosophy should help students on their road to wisdom and personal commitment as well as lead them to academic excellence and the development of a solid foundation for the study of theology. Philosophy is the major study concentration of the Bachelor of Arts degree program offered by the College Seminary.

EAP Program

The English for Academic Purposes Program or EAP Program (formerly known as the English as a Second Language Program or ESL) is designed for non-native speakers of English and consists of 4 levels from beginning to advanced. The beginner's level is non-credit and consists of 18 clock hours of instruction per week. Levels 2, 3 and 4 are credit-bearing and consist of 12 credit hours per week.

Depending on each student's degree requirements, the student will be enrolled in a combination of regular and EAP classes and part of the credit-bearing coursework will be transferrable to the curricular requirements of a certified degree program.

In order to foster improvement and overcome language and cultural barriers, students are engaged in various learning experiences that enhance overall English usage in an inclusive and welcoming environment. Graduates of St. John Vianney College Seminary need to feel confident about their command of the English language. For students

whose native language is not English, St. John Vianney College Seminary offers the EAP Program structured according to each student's English language proficiency.

At the time of a student's admission, the level of instruction in which the student should matriculate is determined by the results of a college administered ACCUPLACER ESL test. The exam tests knowledge of grammar, listening, reading and writing skills.

Mission and Learning Outcomes.

Students enrolled in the EAP Program at St. John Vianney College Seminary are primarily non-native speakers of English who are discerning their vocation to the priesthood in the Catholic church. The academically oriented program prepares students to attain proficiency levels needed to successfully transition from EAP to an English language curriculum in post-secondary institutions.

Upon completion of the EAP program, the student should be able to:

1. Read and discuss college level materials
 2. Write class assignments in academic English
 3. Improve ability to speak in terms of fluency and comprehensibility
 4. Comprehend spoken English and most academic lectures
 5. Reach a level of proficiency that would enable the student to attain a minimum score of 65 on the TOEFL
- It is important to note, however, that exiting the program is not based on a single score and many kinds of assessment data can be used in determining when a student is ready for mainstream courses.

Methodology

In order to engage learners so

that they are interested and will strive to do their best, a balanced instructional approach is vital. A number of different approaches to language acquisition and techniques are employed that match the diverse needs, motivations, and goals of the learners and promote interaction. Effective instruction includes direct teaching, systematic practice involving rules and grammar, and plenty of opportunities for conversation. Technology is also used to expand or individualize learning inside and outside the classroom in accordance with learners' language proficiency, preferences, and needs.

Instruction Levels

To carry out their academic objectives, EAP students receive instruction in the core language skills in 4 levels from beginning to advanced. A TOEFL preparation course is also offered at the upper levels. In addition, courses in English pronunciation and American culture are taught as part of the program. As students progress in the EAP Program, they gradually begin to make the transition to the regular undergraduate curriculum. The four-level academic program for non-native speakers is as follows:

- Level 1 is noncredit-bearing and comprised of 18 clock hours of EAP instruction per week.
- Level 2 is comprised of 12 credit hours of EAP instruction per week.
- Level 3 is comprised of 12 credit hours of EAP instruction per week.
- Level 4 is comprised of 12 credit hours of EAP instruction per week.

According to the requirements of their major, EAP students need to be concurrently enrolled in additional for-credit courses. Some of these courses may be offered in both English and Spanish.

Beginning EAP (Clock Hours)

Students who score in the beginner range as determined by the ACCUPLACER test will register for the non-credit EAP courses consisting of 18 clock hours per week. This means that to be considered full-time, students are required to have a total of 18 hours per week of teacher-fronted classroom instruction. Students will enter the propaedeutic year program as EAP seminarians or as non-resident students. Resident seminarians live with the college seminary community and during their EAP studies are fully integrated into the college seminary's human, spiritual, and pastoral formation program.

Upon completing their propaedeutic year, EAP students who have maintained a C average in their course work will be able to continue in the Program. A C average is considered 73% according to the seminary's grading scale. However, seminarians or non-resident students who are unable to show the necessary progress in the EAP curriculum for full admission into the seminary academic program may need to take additional course work in a separate institution, or the EAP Department may continue working with them until they achieve expected learning objectives.

Intermediate and Advanced EAP. (Credit Hours)

All students whose native language is not English but who have earned a placement score in the intermediate to advanced range according to ACCUPLACER will register for the EAP credit-bearing courses. Each semester, students are required to take 12 or more credits to be considered full-time.

Completion of the EAP Program. In order to be able to continue with

their studies in the regular post-secondary curriculum, students need to be adequately prepared for higher level courses. Consequently, after completing the EAP program, they will need to take the TOEFL exam and should be able to attain a minimum TOEFL score of 65 or achieve a proficient score on the institution's exit test. In addition to standardized assessment, multiple measures are also used to present a more complete picture of what has been learned (e.g., performance assessments).

Students who have successfully passed the EAP program will be assessed in their writing. Depending on their essay scores, they will then enroll either in a developmental writing course or continue on to Reading and Composition English 101.

Pre-theology Program

St. John Vianney College Seminary offers a special two-year Pre-theology program for candidates for the Roman Catholic priesthood who have completed their baccalaureate degrees, in a discipline other than philosophy, and are preparing to enter graduate studies in theology. The Pre-theology program provides the requirements for the philosophy and theology courses laid down by the Program of Priestly Formation and the *Ratio Fundamentalis Institutionis Sacerdotalis*

Before entering this program, students whose first language is other than English must attain a minimum score of 60 on the test of English as a Foreign Language (TOEFL) or as an alternative, they must meet the minimum benchmarks of the college-board, Accuplacer Test. If the student is unable to meet this requirement, he will first matriculate in the Propaedeutic EAP program described in the EAP Section of this catalog.

The Pre-theology program is designed as a two-year experience in philosophy, theology, Spanish for Ministry and priestly formation. Those students who are proficient in Spanish, will be excused from the Spanish for Ministry requirement.

However, they are still subject to the total credit requirement for their degree, which they can fulfill by completing two elective courses (6 credits) of their choice. At the completion of the Pre-theology program the student will be awarded a Bachelor of Philosophy degree (B.Phil.) or a Master of Arts (M.A.), depending on the program they follow. The credit hour requirements (60 credits) for the Bachelor of Philosophy (B. Phil) is outlined in the Plan of Studies at the end of this section. The graduate credit hour requirements (30 credits) for the pre-theologians pursuing the M.A. in Philosophy is outlined in the Plan of Studies at the end of the Graduate Academic Program section of the Catalog.

St. John Vianney's Pre-Theology program also aims to allow the seminarian to deepen and expand his understanding of the Catholic Faith by introducing him to the uniqueness, breadth and all-encompassing character of the heart and mind of Catholicism.

Admission Requirements

In addition to the Admission requirements stated in the Academic Section of the Catalog, candidates to the Pre-theology program must fulfill the following requirements:

1. A valid government-issued

photo identification document (ID); (e.g., Passport, Driver's License).

2. Official transcripts of high school, undergraduate and graduate credits sent directly by the school(s) attended.
3. Non-English speaking students will be tested for English language proficiency. Their test scores will determine whether they enter the Pre-Theology Program directly or whether they must first complete the Propaedeutic EAP Program as described in the EAP Curriculum.
4. Biography describing the genesis of commitment to the priesthood and to theological studies.

General Education Requirements

All candidates to the B.Phil must have completed a minimum of 30 credits in general education to be admitted to the program, which include at least one course from each of the following areas: humanities/fine arts, social/behavioral sciences, and natural science/mathematics.

Transfer Policy

The previous college credit from an accredited institution will be accepted, provided that the grade for the course submitted was C (2.0 on a 4.0 scale) or better, and provided that the courses are compatible with the College Seminary's degree

requirements. Transfer credit from a non-accredited institution will be considered on an individual basis. Grades and grade point averages (GPA) will not be transferred, nor will they appear on the College Seminary transcript.

For transfer policy in the Major, please refer to the Philosophy Department Section in the catalog. Evaluation and acceptance of academic credit rests with the Academic Dean. Transfer of credit from this institution is at the discretion of the receiving institution.

The course requirements for the fulfillment of the B. Phil degree are restricted to three disciplines, philosophy (40 hours), theology (14 hours) and Spanish for ministry (6 hours). In those instances when a student admitted to the program has already earned college credit in any of the courses required for the degree, the requirement to complete the required course(s) in the seminary is waived. A maximum of twelve (12) credits will be accepted as transfer credits.

Mission

The Pre-theology program is designed to serve the needs of students who come to the College Seminary with the same goals as the rest of the students, but who have already earned a Bachelors of Arts degree at another institution and have majored in a discipline other than philosophy. It is the mission of the Pre-theology program to guide those students so that they may reach the academic student outcomes set out by the Mission Statement of the institution.

Student Learning Outcomes of B.Phil Program

The Pre-theology program, in order to carry out that responsibility, has adopted for itself a set of expanded student outcomes that

combines some of the institutional student learning outcomes as refined and operationally defined by the Philosophy Department and by the Theology program. Those refined and operationally defined student learning outcomes are as follows:

1. Students who are knowledgeable in the general history of Western philosophy.
2. Students who are grounded in the tradition of Catholic perennial philosophy and who are familiar with its terminology, its approach, and its major figures.
3. Students who demonstrate knowledge of systematic philosophy, in keeping with the Catholic tradition.
4. Students who are grounded in philosophy for theological studies at the graduate level.
5. Students who demonstrate knowledge of the Old and New Testaments.
6. Students who demonstrate knowledge of the fundamental beliefs and practices of the Roman Catholic Church.

Studies in Philosophy

The Pre-Theology Program at St. John Vianney sees intellectual formation at this stage in a young college graduate's life as a venue meant to prepare him to better understand and appreciate the intellectual, most especially the philosophical, foundations of Catholic Theology.

As such, the academic component of St. John Vianney's Pre-Theology Program represents a "Study of Philosophy for Understanding Catholic Theology" – this is in keeping with the seminary's orientation (as envisioned by PDV and the present PPF) to form future pastors of the Church. Since even at this stage in his formation, everything a seminarian does is

meant to prepare him to become a shepherd and minister of the Gospel, St. John Vianney's Pre-Theology Program envisions a closer relationship between Intellectual and Pastoral Formation.

Students in the Pre-theology program will take a minimum of thirty (30) credit hours in philosophy. Additional hours may be necessary depending on whether the student is enrolled the B. Phil or the M.A. program. The individual needs of the student and the expectations of the theologate for which they are ultimately bound may also impact the number of hours required. Students in the B. Phil must maintain a GPA of 2.0. Students in the M.A. must maintain a GPA of 3.0 in their philosophy courses to stay in the program.

Studies in Theology

Pre-theologians, whether enrolled in the B. Phil or in the M.A. program are required to take a minimum of fourteen (14) credit hours in theology. Given the greatly varied background of those entering as pre-theologians, this program uses an adult learning model which is an integrated process of basic theological learning with personal, spiritual, communal and apostolic development. The program's theology curriculum consists of courses which are introductory in nature and of courses specifically offered to address the needs of pre-theologians. In both cases, the curriculum serves the worthwhile purpose of giving students a deeper understanding of and appreciation for the rich tradition and teaching of Roman Catholicism.

Formation

Formation in all its dimensions (Human, Spiritual, Intellectual, and Pastoral) is an essential component of pre-theology. Students of this

program participate in the common formation program offered to all seminarians, but they have their own residence and their own director. This director works closely with the College Seminary's Academic Dean and the directors of formation in overseeing the different components of the program.

What is unique about the Pre-Theology program at St. John Vianney

Incorporating the most important elements of both the propaedeutic and discipleship stages into an intense two-year program of prayer, study, growth in personal understanding, fraternity and community, the Pre-Theology Program at Saint John Vianney seeks to guide a young professional who has chosen to seriously consider a call to the diocesan priesthood through the initial stages of his journey in seminary formation.

The goal is to enable the seminarian, within that two-year period, to "sit at the Master's feet" thereby establishing a deep friendship and intimate bond with Christ who has called him. By doing so, the program intends to lay strong and lasting foundations on which subsequent stages of formation are built.

Besides participating in the common formation program offered to all the seminarians, the pre-theology students are offered additional opportunities in various spiritual activities which will assist them in their spiritual development.

Pre-theologians have two formal evaluations during the school year: one in the fall and one in the spring. These evaluations follow the format of the St. John Vianney College Seminary evaluation for its degree-

seeking seminarians.

1. An Integral Human Formation

"God loves and cares for each one of us as if we were the only one in his care. (St. Augustine)

This is perhaps the single most significant area where a Pre-Theology Program in a College Seminary setting like St. John Vianney can truly contribute to the building of a strong foundation for a young man who has already obtained a college degree and who may already have a lot of life experience.

Most of those who enter a Pre-Theology Program are solid and mature men who prove to be excellent candidates for eventual theological studies and ordination. Pre Theology formation at St. John Vianney provides them with a setting that allows them to be truly affirmed as the older and more mature young men that they are, who have already accomplished important things in their lives, and who have made the decision to re-orient their life's discernment towards the service of God and people.

The young men who are in the Pre-Theology Program at St. John Vianney become important witnesses to their undergraduate brothers who look up to them for inspiration and support- something which, in return, aids these Pre-Theologians in receiving that affirmation they need.

In a College Seminary setting thus, a kind of "symbiotic relationship" arises between older seminarians

in the Pre-Theology Program and younger undergraduates. This bears tremendous promise in terms of the Human Formation, not only for the Pre Theologians themselves, but the undergraduate students as well.

2. An Authentic Spiritual Formation

"To fall in love with God is the greatest romance, to seek Him the greatest adventure, to find Him the greatest achievement." (Anonymous, often attributed to St. Augustine)

Most young men who begin formation at this stage in their life have an established prayer life, an adequate understanding of what it means to have a relationship with Jesus Christ, and a very basic knowledge of the life and teachings of the Church.

The Pre-Theology Program at St. John Vianney seeks to build on these simple and most basic foundations by allowing a college graduate who now begins his journey in formation to deepen his spirituality even further and to grow in his relationship with Christ. It also aims to allow the seminarian to deepen and expand his understanding of the Catholic Faith by introducing him to the uniqueness, breadth and all-encompassing character of the heart and mind of Catholicism.

3. A Truly 'Catholic' Intellectual Formation

"All that is true, by whomsoever it has been said has its origin in the Holy Spirit". (St. Thomas Aquinas)

The Pre-Theology Program at St. John Vianney sees intellectual

formation at this stage in a young college graduate's life as a venue meant to prepare him to better understand and appreciate the intellectual, most especially the philosophical, foundations of Catholic Theology. As such, the academic component of St. John Vianney's Pre-Theology Program represents a "Study of Philosophy for Understanding Catholic Theology" - this is in keeping with the seminary's orientation (as envisioned by PDV and the present PPF) to form future pastors of the Church. Since even at this stage in his formation, everything a seminarian does is meant to prepare him to become a shepherd and minister of the Gospel, St. John Vianney's Pre-Theology Program envisions a closer relationship between Intellectual and Pastoral Formation.

Graduate Academic Programs

All courses at St. John Vianney College Seminary are organized and grouped together under an appropriate department or program. Departments are headed by a Chair, programs are led by a Coordinator.

Master of Arts (M.A.) in Philosophy

Note to Prospective Students

St. John Vianney's College Seminary's M.A. in Philosophy is offered 100% On-line and on Campus.

Mission Statement

The two-year M.A. program at St. John Vianney College Seminary is aimed to give students a solid, graduate level knowledge of Philosophy. The program emphasizes the narrative character of philosophy, i.e., the idea that philosophy has a 'story' that continuously evolves and mirrors the human person's ongoing search for meaning. This narrative character of this approach to philosophy is particularly "catholic"

in the true meaning of the word, i.e., capable of being open to truth in all its manifestations, embracing it in a way that synthesizes all that is true, good, and noble in what the tradition has passed on to us while also pushing this legacy forward to bring about something that is genuinely "novel."

Admission Requirements

1. A valid government-issued photo identification document (ID); (e.g., Passport, Driver's License).
2. A completed Application form, fee, and two letters of recommendation testifying to the student's aptitude for graduate studies from professors familiar with the student's undergraduate work.
3. Entering MA students must have a Bachelor's degree or its equivalent from an accredited institution. Students, who have no background in Philosophy

at the undergraduate level, must first complete the Historical Sequence of courses before proceeding to register for the systematic courses.

4. Official transcripts from all institutions of higher education attended by the applicant.
5. An undergraduate GPA of 3.0.

Length of Program

A limit of five calendar years is the maximum time allotted for the completion of all the requirements for the master's degree. Graduate students who have not registered for a course in five years will be dropped from the program.

Interrupted Program of Study

If a student engaged in graduate study leaves the College for a significant period before completing

the degree, courses will be counted toward the program of study only if the time period of interrupted study is less than 5 years. That is, the period between the last and present (or new) enrollment does not exceed 5 years.

In special circumstances, courses completed more than 5 years previously may, at the discretion of the Academic Dean, be counted toward a degree, if, in the judgment of the dean, the College's curricular requirements and the content of those courses have not undergone significant change during the period of interrupted study.

Courses completed 5 or more years previous to any current enrollment will not be counted in the student's grade point average, unless the Academic Dean has made specific course exemptions from this policy. The transcript will indicate separate sets of courses, those completed 5 or more years previous to a new or continued enrollment and those registered after the student's return to the College.

Degree Requirements and Required Coursework

Thirty (30) hours of graduate coursework (10 courses) are required for all MA programs in the Philosophy Department. Students who choose to write a Thesis must complete 27 credit hours of course work and 3 credits for the Thesis. Students who do not choose to write a thesis must complete 30 credit hours of course work and successful completion of a Comprehensive Examination. In either case, coursework for all students must

include 12 credits of the Historical Sequence (PHI 501, PHI 502, PHI 503, PHI 504) as well as the following courses: Metaphysics (PHI 511), Philosophical Anthropology (PHI 512), Epistemology (PHI 513), and 20th Century Thomism (PHI 515). Students must maintain a 3.0 GPA to remain in good standing and must complete all requirements for the degree within five years of admission to the program.

Transfer Policy

A maximum of fifteen graduate credits from an accredited institution will be accepted for transfer, provided that the grade for the course submitted was B (3.0 on a 4.0 scale) or better, and provided that the courses are compatible with the program's degree requirements. Evaluation and acceptance of academic record rests with the Academic Dean, who conducts the evaluation using transcripts and catalog descriptions of the courses to be accepted as transfer credit.

Language Requirement

There is no language requirement or other research tool requirement for an M.A. degree in the Philosophy Department.

Comprehensive Examination

Toward the end of the MA course of studies, the student who has decided not to write a Thesis must pass a Comprehensive Examination.

The Comprehensive Examination

is a written exam generated by the Philosophy Department aimed to evaluate the student's competence and knowledge of the History of Philosophy as well as of the systematic areas required in the curriculum: Metaphysics, Philosophical Anthropology, Epistemology, and 20th Century Thomism. During the last semester of studies, at least six weeks before the actual date of the exam, students following the Comprehensive Examination track will be given a Study-guide of topics out of which the department will generate the Comprehensive Examination. The students will be given three hours to complete the proctored exam. The philosophy faculty will evaluate the exams and will grade it either as Pass or Fail. Students will have three opportunities to pass the comprehensive examination. No student can graduate without earning a passing grade in the Comprehensive examination.

Thesis

Students may choose to write a Thesis if they secure the recommendation of the faculty. If approved, they are not required to take the Comprehensive Examination. Students writing a Thesis must have a minimum GPA of 3.5.

Students writing a thesis will need to decide on a topic and an advisor early in the first semester of their second year of studies (after completing the Historical Sequence courses). The thesis shall be no more than 60 pages long. The department will provide the student with

instructions on how to submit the thesis. Two readers will evaluate the thesis and grade it as Pass or Fail. No student can graduate without earning a passing grade in the thesis.

Learning Outcomes.

Upon successful completion of the M.A. Program in Philosophy, the student:

1. Students will demonstrate their capacity for philosophical research and writing.
2. Students will demonstrate knowledge of the major figures, movements, positions and issues in the Western philosophical tradition from the Ancient to the Contemporary period.
3. Students will demonstrate knowledge of the main issues, debates, and traditions in Western Metaphysics.
4. Students will demonstrate knowledge of the main issues, debates, and traditions in Western Philosophical Anthropology.
5. Students will demonstrate knowledge of the main issues, debates, and traditions in Western Epistemology.
6. Students will demonstrate knowledge of the main issues, debates, and traditions in 20th Century Thomism.

Evaluation of student achievement will be via assessment of student's written projects and examinations. Rubrics to assess student achievement of Comprehensive Examination and Thesis will be developed by program faculty and will demonstrate an

increased level of rigor compared to the rubric used for the Bachelor's Degree Senior Project. A student satisfaction survey, based on the instrument used current for the Bachelor's Degree program, will be administered to determine student satisfaction.

Student Services Division

Mission - The Student Services Division of

St. John Vianney College Seminary exists to provide students with support services to reasonably meet their human and institutional needs. These services include an orientation program for new resident students, adequate housing to suit resident students' practical needs, a safe campus environment, health and medical services and the structure of a student government. The Dean of Students is immediately responsible for this Division. The faculty and staff of the College Seminary collaborate with the Dean of Students in implementing the various services rendered by this Division. For further understanding of the college seminary life, seminarians are referred to St. John Vianney Seminary's Principles of Formation.

The New Student Experience

The New Student Experience is a required orientation program for new resident students of St. John Vianney College Seminary. The New Student Experience is designed to help new resident students attain familiarity with the basic areas of priestly formation, the dynamics

of community life, the location and rules of operation of campus facilities and general knowledge of the community at large. The New Student Experience takes place immediately prior to the official beginning of the academic year. During the New Student Experience students live on campus. The New Student Experience Team, which consists of a select number

of returning seminarians, assists the Rector, the Dean of Students and other qualified personnel in the coordination of the orientation program's activities. Such activities include a series of conferences, orientation sessions, workshops, on-campus social functions, outings to places of interest in the local South Florida community, and an off-campus retreat.

Student Housing

All resident college seminarians of St. John Vianney College Seminary are provided housing that features adequate dormitory, meal, laundry, and recreational facilities to suit their practical needs. Dormitory facilities feature rooms equipped with a bed, closet area, desk and sink. Rooms may be private or shared with one roommate. Common bathrooms with individual showers are available to resident students on every floor.

Meals, including breakfast, lunch and dinner, are prepared for resident students by a professional staff in the St. John Vianney Seminary Refectory every day except during academic breaks. A laundry room equipped with washers, dryers and other practical amenities is also available to seminarians in their building of residence. The building of residence also features the following recreational facilities: a large community room (equipped with kitchen and dining space, a sitting area, and a recreational games section), multiple television rooms, a workout room, and a pool hall. Other on-campus recreational facilities include tennis courts, an indoor gymnasium equipped with a basketball court and a weight room, a swimming pool and multiple fields for outdoor sports such as baseball, softball and soccer.

Campus Safety

St. John Vianney College Seminary provides a safe campus environment through the implementation of its various disciplinary policies and the supervision of a security crew.

Health and Medical Services

St. John Vianney College Seminary is committed to fostering the overall well-being and wholeness of its seminarians. As a result, health and medical services are made available to the resident seminarians of the institution. Basic medical supplies and standard over-the-counter medications are provided free of charge for resident students in the case of minor medical emergencies. In the case of major medical emergencies and the need for major medical attention for its resident seminarians, the institution provides a medical referral program and transportation services. An on-campus infirmary equipped with private dormitory and bathroom facilities is available for resident

seminarians in need of extraordinary and prescribed convalescence.

Student Government

The Student Council of St. John Vianney College Seminary exists to ensure that the resident student body has a constitutional student government through which its needs and concerns can be represented before the administration of the institution. The Student Council is governed by its constitution and encompasses all resident students of the institution as its members. Annual elections are held within the governmental body for the offices of President, Vice-President and Secretary as well as for the offices of individual Class Deans. The Student Council meets periodically throughout the academic year to address issues, concerns and proposals to be presented in a spirit of dialogue before the administration of the institution. It also organizes a series of on-campus social functions for resident seminarians.

Alumni Association

The purpose of this Association is to foster fraternity among the alumni, to coordinate an Annual Reunion of the Alumni at the Seminary, to provide support for the Seminary from the membership, and to seek such support from the benefactors and friends of the Seminary. Membership in the Association is open to all alumni of the College Seminary, lay, and clerical.

Policy Against Harassment

The College Seminary is committed to providing an environment free of any kind of harassment. In keeping with this commitment, the college will not tolerate harassment of its students or employees by anyone, including any supervisor, co-worker, student or vendor of the College Seminary. The College Seminary Policy Against Harassment is contained in the Faculty Manual.

Drug-Free Environment

The unlawful possession, use or distribution of illicit drugs or alcohol on school premises or property, or as part of any of its activities by employees, instructors and students of this institution is against the policy of the College Seminary. For more information on College Seminary Policy, refer to the Principles of Formation Handbook.

Policy on Hazing

Hazing is defined as any act, whether physical, mental, emotional or psychological, which subjects another person, voluntarily or involuntarily, to anything that may abuse, mistreat, degrade, humiliate, harass, or intimidate him or her, or which may in any fashion compromise his/her inherent dignity as a person.

Hazing is inherently in conflict with the mission of St. John Vianney College Seminary and, therefore, will not be tolerated. Every effort will be made to ensure that students will not encounter the humiliation and danger of hazing.

Placement Assistance

While St. John Vianney offers placement assistance to all its students, employment is not guaranteed.

Complaints and Appeals Procedures

The student may initiate a complaint or appeal any decision related to a requested accommodation or auxiliary aid to the Academic Dean. Such an appeal must be made in writing to the Dean no later than 10 days following the decision as to a requested accommodation or aid. Any position paper, brief, medical documentation or other written material, which the student desires to be reviewed by the Dean, shall be submitted together with the notice of appeal. The Academic Dean shall investigate and respond to the notice of appeal in writing, stating his or her decision, together with the reasons for either affirming or reversing the previous decision as to accommodation, or, auxiliary aid. A student may, within 10 days of the Dean's written decision on a student's appeal, file a second appeal with the Rector/President.

The decision of the Rector/President shall be in writing and shall be final

and binding upon the student and the college seminary. All records of students' complaints and appeals are stored in the office of the Rector/President. Unresolved conflict should be referred to:

Intellectual Property Policy

The published work of a faculty, staff member or student that is a result of his/her research and writing is the sole property of the author. Any copyrights and/or compensation that might arise from his/her efforts remain the property of the author. When significant time or facilities of the college seminary have been used, it is reasonable that the author would consider the needs of the college when receiving revenue from his/her efforts.
