Seminarians): Tuition \$23,100.00
Room & Board \$12,100.00
Total: \$35,200.00

The Archdiocese of Miami, and the Florida Bishops are committed in financially helping their Seminarians, as they discern their call to the priesthood, by giving them a 75% grant towards their tuition, room and board. The remaining 25% is the responsibility of the seminarian and his/her parents. Undergraduate seminarians need to apply for Financial Aid at www.fafsa.ed.gov.

The fees shown above represent the total cost of tuition, room and board for each year. There are no additional fees than the ones described here. The annual per student cost at St. John Vianney is in excess of \$35,100 per seminarian. The greater part of this cost is underwritten as a subsidy by the Archdiocese of Miami out of interest earnings on the seminary bursar fund. Benefactors to the seminary throughout the history of the Archdiocese have allowed the Archdiocese to operate the seminary and cover operating costs over and above the income derived from tuition.

Tuition for part-time Undergraduate courses is \$300 per semester hour credit. The tuition for class auditing is \$250 per course. Tuition for Online Graduate courses is

\$575.00 per semester credit. Tuition charges are subject to change.

A student who is in debt to the College Seminary at the end of any given semester is not entitled to take the final examinations for his/her registered courses until his/her indebtedness has been discharged. Arrangements for payment of tuition, room and board must be made prior to or at the time of registration.

4. Refund Policy

Refunds of tuition, room and board for students withdrawing from the college seminary are based on the following schedule: during the first week, 100 percent; during the second week, 80 percent; during the third week, 60 percent; during the fourth week, 40 percent; during the fifth week, 20 percent. There is no tuition, room and board refund after the fifth week.

If a student is entitled to a refund of tuition and fees, the refund will first be applied to any sources of financial aid from which the student may have been awarded. Once all balances owed to SJVCS have been satisfied, any excess funds remaining will be refunded to the student.

Refunds will generally be delivered to students in the form of a check unless the student has a valid Direct Deposit Authorization on file or payment has been made by credit card or gift card, in which case the excess credit will be returned to the card.

Students receiving federal and state financial aid should consult a financial aid counselor before dropping or withdrawing from courses to ensure compliance with federal and state requirements for satisfactory academic progress (SAP).

Request for refunds should be submitted via e-mail to the business office at ekelly@sjvcs.edu.

7. Pre-Theology Program

St. John Vianney College Seminary offers a special two-year Pre-theology program for candidates for the Roman Catholic priesthood who have completed their baccalaureate degrees, in a discipline other than philosophy, and are preparing to enter graduate studies in theology. The Pre-theology program provides the requirements for the philosophy and theology courses laid down by the *Program of Priestly Formation* and the *Ratio Fundamentalis Institutionis Sacerdotalis*.

Before entering this program, students whose first language is other than English must attain a minimum score of 60 on the test of English as a Foreign Language (TOEFL). If the student is unable to meet this requirement, he will first matriculate in the Propaedeutic ESL program described in the ESL Section of this catalog.

The Pre-theology program is designed as a two-year experience in philosophy, theology, Spanish for Ministry and priestly formation. Students who are proficient in Spanish, will be excused from the Spanish for Ministry requirement. However, they are still subject to the total credit requirement for their degree, which they can fulfill by completing two elective courses (6 credits) of their choice. At the completion of the Pre-theology program the student will be awarded a Bachelor of Philosophy degree (B.Phil.) or a Master of Arts (M.A.), depending on the program they follow. The credit hour requirement (60 credits) for the Bachelor of Philosophy (B. Phil) is outlined in the **Plan of Studies** in the *Catalog*. The credit hour requirements (48 credits) for the pre-theologians pursuing the M.A. in Philosophy are outlined in the **Plan of Studies** in the *Catalog*.

St. John Vianney's Pre-Theology program also aims to allow the seminarian to deepen and expand his understanding of the Catholic Faith by introducing him to the uniqueness, breadth and all-encompassing character of the heart and mind of Catholicism.

Mission. The Pre-theology program is designed to serve the needs of students who come to the College Seminary with the same goals as the rest of the students, but who have already earned a Bachelor of Arts degree at another institution and have majored in a discipline other than philosophy. It is the mission of the Pre-theology program to guide those students so that they may reach the academic student outcomes set out by the Mission Statement of the institution.

Admission Requirements. In addition to the Admission requirements stated on pages 16-17, candidates to the Pre-theology program must fulfill the following requirements:

1. Official transcripts of high school, undergraduate and graduate credits sent directly by the school(s) attended.
2. Non-English speaking students will be tested for English language proficiency. Their test scores will determine whether they enter the Pre-Theology Program directly or whether they must first complete the Propaedeutic ESL Program as described in the ESL Curriculum.
3. Biography describing the genesis of commitment to the priesthood and to theological studies.

General Education Requirements. All candidates to the B.Phil must have completed a minimum of 30 credits in general education to be admitted to the program, which include at least one course from each of the following areas: humanities/ fine arts, social/behavioral sciences, and natural science/mathematics.

Transfer Policy. The previous college credit from an accredited institution will be accepted, provided that the grade for the course submitted was C (2.0 on a 4.0 scale) or better, and provided that the courses are compatible with the College Seminary's degree requirements. Transfer credit from a non-accredited institution will be considered on an individual basis. Grades and grade point averages (GPA) will not be transferred, nor will they appear on the College Seminary transcript.

For transfer policy in the Major, please refer to the Philosophy Department Section in the catalog. Evaluation and acceptance of academic credit rests with the Academic Dean. Transfer of credit from this institution is at the discretion of the receiving institution.

The course requirements for the fulfillment of the B. Phil degree are restricted to three disciplines, philosophy (42 hours), theology (12 hours) and Spanish for ministry (six hours). In those instances when a student admitted to the program has already earned college credit in any of the courses required for the degree, the requirement to complete the required course(s) in the seminary is waived. A maximum of twelve (12) credits will be accepted as transfer credits.

Student Learning Outcomes of B.Phil Program. The Pre-theology program, in order to carry out that responsibility, has adopted for itself a set of expanded student outcomes that combines the institutional student learning outcomes as refined and operationally defined by the Philosophy Department and by the General Education program. Those refined and operationally defined student learning outcomes are as follows:

1. Students who are knowledgeable in the general history of Western philosophy.
2. Students who are grounded in the tradition of Catholic perennial philosophy and who are familiar with its terminology, its approach, and its major figures.
3. Students who demonstrate knowledge of systematic philosophy, in keeping with the Catholic tradition.
4. Students who are grounded in philosophy for theological studies at the graduate level.
5. Students who demonstrate knowledge of the Old and New Testaments.
6. Students who demonstrate knowledge of the fundamental beliefs and practices of the Roman Catholic Church.

Studies in Philosophy

The Pre-Theology Program at St. John Vianney sees intellectual formation at this stage in a young college graduate's life as a venue meant to prepare him to better understand and appreciate the intellectual, most especially the philosophical, foundations of Catholic Theology.

As such, the academic component of St. John Vianney's Pre-Theology Program represents a "Study of Philosophy for Understanding Catholic Theology" – this is in keeping with the seminary's orientation (as envisioned by *PDV* and the present *PPF*) to form future pastors of the Church. Since even at this stage in his formation, everything a seminarian does is meant to prepare him to become a shepherd and minister of the Gospel, St. John Vianney's Pre-Theology Program envisions a closer relationship between Intellectual and Pastoral Formation.

Students in the Pre-theology program will take a minimum of thirty (30) credit hours in philosophy. Additional hours may be necessary depending on the student is enrolled the B. Phil or the M.A. program. The individual needs of the student and the expectations of the theologate for which they are ultimately bound may also impact the number of hours required. Students in the B. Phil must maintain a GPA of 2.0. Students in the M.A. must maintain a GPA of 3.0 in their philosophy courses to stay in the program.

Studies in Theology

Pre-theologians, whether enrolled in the B. Phil or in the M.A. program are required to take a minimum of twelve (12) credit hours in theology. Given the greatly varied background of those entering as pre-theologians, this program uses an adult learning model which is an integrated process of basic theological learning with personal, spiritual, communal and apostolic development. The program's theology curriculum consists of courses which are introductory in nature and of courses specifically offered to address the needs of pre-theologians. In both cases, the curriculum serves the worthwhile purpose of giving students a deeper understanding of and appreciation for the rich tradition and teaching of Roman Catholicism.

Formation

Formation in all its dimensions (Human, Spiritual, Intellectual, and Pastoral) is an essential component of pre-theology. Students of this program participate in the common formation program offered to all seminarians, but they have their own residence and their own director. This director works closely with the College Seminary's Academic Dean and the directors of formation in overseeing the different components of the program.

Seminary formation is ultimately geared towards forming kind, loving, and dedicated shepherds after the heart of Jesus, the Good Shepherd himself.

Formation at St. John Vianney seeks to achieve this goal by laying a strong foundation on which the subsequent stages of formation are meant to build. This endeavor begins with a young man being given the opportunity - in a community of brothers dedicated to reflection, prayer and study - to "sit at the Master's feet", that is, to grow in understanding and appreciation of himself even as he is gradually initiated into a relationship of true discipleship and intimacy with Christ.

Besides participating in the common formation program offered to all the seminarians, the pre-theology students will be offered additional opportunities in various spiritual activities which will assist them in their spiritual development.

Pre-theologians have two formal evaluations during the school year: one in the fall and one in the spring. These evaluations follow the format of the St. John Vianney College Seminary evaluation for its degree-seeking seminarians.

8. Master of Arts in Philosophy

Note to Prospective Students: St. John Vianney's College Seminary's M.A. in Philosophy is offered 100% On-line and on Campus.

Mission Statement

The two-year M.A. program at St. John Vianney College Seminary is aimed to give students a solid, graduate level knowledge of Philosophy. The program emphasizes the narrative character of philosophy, i.e., the idea that philosophy has a 'story' that continuously evolves and mirrors the human person's ongoing search for meaning. This narrative character of philosophy is particularly "catholic" in the true meaning of the word, i.e., capable of being open to truth in all its manifestations, embracing it in a way that synthesizes all that is true, good, and noble in what the tradition has passed on to us while also pushing this legacy forward to bring about something that is genuinely "novel."

Length of Program

A limit of five calendar years is the maximum time allotted for the completion of all the requirements for the master's degree. Graduate students who have not registered for a course in five years will be classified as "inactive" in the program.

Interrupted Program of Study

If a student engaged in graduate study leaves the College for a significant period before completing the degree, courses will be counted toward the program of study only if the time period of interrupted study is less than 5 years. That is, the period between the last and present (or new) enrollment does not exceed 5 years.

In special circumstances, courses completed more than 5 years previously may, at the discretion of the Academic Dean, be counted toward a degree, if, in the judgment of the dean, the College's curricular requirements and the content of those courses have not undergone significant change during the period of interrupted study.

Courses completed 5 or more years previous to any current enrollment will not be counted in the student's grade point average, unless the Academic Dean has made specific course exemptions from this policy. The transcript will indicate separate sets of courses, those completed 5 or more years previous to a new or continued enrollment and those registered after the student's return to the College.

Admission Requirements

1. A valid government-issued photo identification document (ID); (e.g., Passport, Driver's License).
2. Official transcripts from all institutions attended. Entering MA students must have a Bachelor of Arts degree or its equivalent from an accredited institution.

Students who have no background in Philosophy at the undergraduate level, must first complete the Historical Sequence of courses before proceeding to register for the systematic courses.

3. An undergraduate GPA of 3.0.
4. An application, and application fee and two letters of recommendation testifying to the student's aptitude for graduate studies from professors familiar with the student's undergraduate work.

Degree Requirements and Required Coursework

30 hours of graduate coursework (10 courses) are required for all MA programs in the Philosophy Department. Students who choose to write a Thesis must complete 27 credit hours of course work and 3 credits for the Thesis. Students who do not choose to write a thesis must complete 30 credit hours of course work and successful completion of a Comprehensive Examination. In either case, coursework for all students must include the 12 credits of the Historical Sequence (PHI 501, PHI 502, PHI 503, PHI 504) as well as the following courses: Metaphysics (PHI 511), Philosophical Anthropology (PHI 512), Epistemology (PHI 513), and 20th Century Thomism (PHI 515). Students must maintain a 3.0 GPA to remain in good standing.

Comprehensive Examination

Toward the end of the MA course of studies, the student who has decided not to write a Thesis must pass a Comprehensive Examination.

The Comprehensive Examination is a written exam generated by the Philosophy Department aimed to evaluate the student's competence and knowledge of the History of Philosophy as well as of the systematic areas required in the curriculum: Metaphysics, Philosophical Anthropology, Epistemology, and 20th Century Thomism. During the last semester of studies, at least six weeks before the actual date of the exam, students following the Comprehensive Examination track will be given a Study-guide of topics out of which the department will generate the Comprehensive Examination. The students will be given three hours to complete the proctored exam. The philosophy faculty will evaluate the exams and will grade it either as Pass or Fail. Students will have three opportunities to pass the comprehensive examination. No student can graduate without earning a passing grade in the Comprehensive examination.

Thesis

Students may choose to write a Thesis if they secure the recommendation of the faculty. If approved, they are not required to take the Comprehensive Examination. Students writing a Thesis must have a minimum GPA of 3.5.

Students writing a thesis will need to decide on a topic and an advisor early in the first semester of their second year of studies (after completing the Historical Sequence courses). The thesis must be at least 60 pages long. The department will provide the student with instructions on how to submit the thesis. Two readers will evaluate the

thesis and grade it as Pass or Fail. No student can graduate without earning a passing grade in the thesis.

Transfer Policy

A maximum of six graduate credits from an accredited institution will be accepted for transfer, provided that the grade for the course submitted was B (3.0 on a 4.0 scale) or better, and provided that the courses are compatible with the program's degree requirements. Evaluation and acceptance of academic record rests with the Academic Dean, who conducts the evaluation using transcripts and catalog descriptions of the courses to be accepted as transfer credit.

Language Requirement

There is no language requirement or other research tool requirement for an M.A. degree in the Philosophy Department.

Student Learning Outcomes

Upon successful completion of the M.A. Program in Philosophy, the student

1. Students will demonstrate their capacity for philosophical research and writing.
2. Students will demonstrate knowledge of the major figures, movements, positions and issues in the Western philosophical tradition from the Ancient to the Contemporary period.

5. Students will demonstrate knowledge of the main issues, debates, and traditions in Western Epistemology.
6. Students will demonstrate knowledge of the main issues, debates, and traditions in 20th Century Thomism.

Assessment

The Learning Outcomes of the program will be assessed via a rubric developed by the department. The evaluators of the Comprehensive Examination and the Thesis will use the rubric to assess them. In addition, the *Alumni Survey* already in existence (with appropriate modifications) to evaluate the undergraduate program will also be used to determine student satisfaction with the graduate program for pre-theologians. In the case of the online students, an *Online Program Student Survey* will be administered to assess student satisfaction.
