

Saint John Vianney College Seminary Student Achievement Goals & Outcomes

Goal 1: **Graduation**

All students graduating within 150% of time are considered. This is 6 years for the Bachelor of Arts (philosophy) & 3 years for the Bachelor of Philosophy (pre-theology) and for the Master program.

Student Achievement Goal 1	
Year	Graduation Rate (%)
2018	67
2019	69
2020	100
2021	100
2022	50
2023	100

A 50% threshold of acceptability was chosen for these outcomes based on the following two criteria:

1. The seminary is an open-admission institution.
2. Consistent with the mission of the institution, a seminarian discerning that his vocation is not the priestly life is considered a positive outcome, even if this decision involves no graduation.
