

## CORPORATE COUNCIL PROGRAM

Established in 2008, the Corporate Council program builds relationships between companies with a vested interest in maternal-fetal medicine and the Foundation for SMFM, whose mission is to advance care in pregnancy through research and education. Corporate Council members provide valuable support for the Foundation's scholarship and grant programs that are awarded to maternal-fetal medicine subspecialists at various stages in their careers.

## HOW YOU CAN HELP

Invest in the future of maternal-fetal medicine by learning more about the Corporate Council Program and the Foundation for SMFM on our website. We rely on your support to sustain our programs in order to improve pregnancy outcomes for mothers and babies in the United States and around the world.

## MEMBERSHIP BENEFITS

Our Corporate Council program is open to companies whose products and services are related to high-risk pregnancy. The annual membership fee is \$5,000 and provides member companies with these benefits:

- Recognition on the Foundation's Donor Wall and on slides at the SMFM Annual Meeting
- Acknowledgement on the Foundation's website and a button link to the company's website
- Connection with a physician leader in the Society who serves as a liaison to the company
- Opportunity to provide input for improved relationships with the Foundation and the Society
- Invitation to the annual Corporate Council Luncheon

*Dr. Mary D'Alton speaking at the Corporate Council Luncheon at the 2016 SMFM Annual Meeting in Atlanta.*
