Attach your mini-sabbatical proposal, which should include the following elements:

Justification for the mini-sabbatical and measurable goals for the project, including how new skills will enhance future performance as a researcher, educator, and/or clinician and how new skills will be applied to current work site or academic program

Description of techniques or skills that will be acquired during the mini-sabbatical as related to MFM or care of the MFM patient

Description of the environment (i.e., laboratory/computer/library facilities, offices, clinical practice, and/or patient population) and the personnel (other than the mentor) at the mentor's institution

Total Amount Requested *

\$

(Max range: 5000)

Attach a detailed budget. Funding can be used for travel, lodging, tuition, supplies, equipment, and technical support. Funding cannot be used to supplement any existing salaries or compensate the recipient's practice or institution for time lost in clinical or academic practice or to compensate the mentor's site for time involved in teaching. If your budget exceeds the maximum amount of the award (\$5,000), describe other sources of funding. *
