## Monthly Letter November 2019

Dear Partners and Friends,

### Happy Thanksgiving

In November, it is a national holiday of our nation where we give thanksgiving unto God for his blessings and prosperity. In the beginning, the Pilgrims were thankful for making the voyage across the ocean and celebrated with the Indians giving thanks to God for His blessings, bounty, and survival in a new land.

No matter what the issues of life are, it is beneficial for our heart to focus on Jesus when we express gratitude with thanksgiving. The ability to see the goodness of God in the land of the living requires us to magnify the good in our life.

thankful to Him and bless His name.*

#### **A Thankful Heart:**

A phone message from one of our Partners

*Hello,*

*I just wanted to say thank you. Cecil prayed with me the other day when I phoned from Britain. I just wanted to say it was so helpful and just want to thank you, guys! Still moving on in getting to grips with it all. It certainly had a great impact. Thank you very much! God Bless!*

### **A Healing Report:**

*A lady here in the US, reported back that I had prayed for her 4 month old baby who had a rare disease and was needing a liver & kidney transplant.*

*After prayer the baby is totally healed and the doctors can not even find any evidence of the problem in the baby's body.*

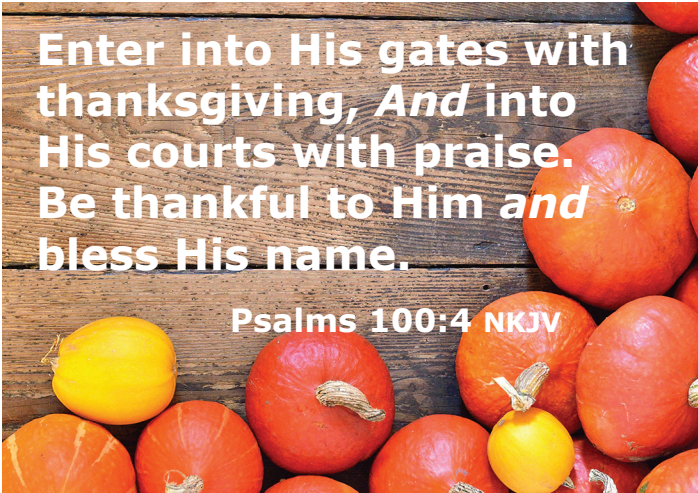

*Praise God for His goodness through Jesus Christ*

### **Ministry Office Update:**

In the last four months, we have spent more quality time here at our ministry. We have been in the process of establishing a firm foundation in the area of administration that I believe will prepare us for future ministry growth. We are very grateful for all the assistance and encouragement we have received. Thank you!

### **New Book: Issues of the Heart**

I am excited at the potential of this new book. We have just received our first draft of this book even as this newsletter is being

**Enter into His gates with  
thanksgiving, And into  
His courts with praise.  
Be thankful to Him and  
bless His name.**

**Psalms 100:4 NKJV**

written and we hope to see our first physical copies in December or at the beginning of January 2020.

I believe this book will minister life and bring freedom to many people who have experienced the kind of issues of life that have held them in bondage. The kind of issues that made them feel that they would never go away; as if they had some kind of power over them.

I also believe that this book will bring more believers into the peace of God as these truths are established within their heart bringing them a new way of relating to life.

### **Introduction: Issues of the Heart**

In this book, I'm talking about the kind of judging that binds us to life's problems. It's the kind of judging that's from a human perspective. It's a kind of judging where we reach out and take hold of our problems according to what we believe about them.

I will explain all of this in detail, and show you how to use Scripture to address, settle, and mend the Issues of the Heart.

Life's problems are always speaking to us. It doesn't matter whether they are relational, financial, or even physical problems; they influence our heart. Whatever challenges we face, the Scripture says, "Many are the afflictions of the righteous, but the LORD delivers him out of them all." (Psalm 34:19)

As you read this book, seek the Lord, and meditate on the truth of God's Word. It will deliver you from any bondage in your heart, and enable you to walk in freedom.

It was for freedom that Christ has set us free!

### **Overseas Ministry:**

We are moving forward with preparations for the 2020 January and February overseas ministry in Scotland, Ireland, England and Hungary at Healing is Here conferences, churches and Bible colleges.

For those who would like to give toward this opportunity for changed lives in Europe

the total cost for our flights are \$2,512.61 and a total of \$759.31 for our hotels.

It is such a blessing for us when we go to minister and see people of all ages and nationalities experience the presence of God, His love and faithfulness in each of their lives.

We have been to England, Ireland, Scotland and Europe many times and have many friends there. Now we will be going into Hungary for the first time. We are excited to be able to share the love of God with them too!

For those who would like to help us with the expenses of the trip, we are believing to have the expenses paid in full before the beginning of the trip in January.

Lisa and I, will be ministering this month in South Carolina and North Carolina in churches as well as a bible college before returning to Colorado in time for the Thanksgiving holiday. We are very grateful to you our friends and partners of this ministry as together we are seeing lives changed. We believe that our partners are greatly prospering in spirit, soul, and body as you experience an increase in the seed you have sown multiplying and increase in the fruits of your righteousness. God's richest blessings in Christ are already yours. Believe and establish this truth in your heart and have an open heart to receive all that God has given you in Christ Jesus.

Happy Thanksgiving!

*Cecil + Lisa*
