Dear Partners and Friends!

September Overseas Ministry

Our meetings in the UK were marvelous! We ministered at meetings open to the public and in local churches. I believe that everyone who desired ministry was able to receive personal ministry with many wonderful manifestations of the Spirit of Christ in their lives.

I received a word from a friend here in the US before going to Scotland that was spot on and that spoke of me bringing a message of hope. This word was confirmed when we arrived to minister on a particular island in Scotland and discovered that they had gone through two different devastating experiences in the past. Those events had affected the heart beliefs of almost every person there. Praise God! God is good to prepare us in helping those He loves.

The Passing to Heaven of the Queen of England

We were there at a notable time in history, with the passing of Queen Elizabeth II and the transitioning from her reign to a new king, King Charles III.

Her death was quite an unexpected shock to many. She was loved and respected by her people, and many expressed their admiration of her from all over the country.

Some are still processing in their hearts the suddenness of her passing and the transition to a new ruler, despite knowing that Charles was in line to be king.

Tim Farron, a strong believer in Christ and a Member of Parliament for Westmorland and Lonsdale, said this about the Queen:

The Queen was constant to us all,
as has been said already. But the

constant in her life was the Lord Jesus Christ. Now let's remember this, that for many people you know it may be, but for her, it was not a perfunctory ceremonial faith. It was a living active faith in a living Saviour. Let us remember this: that for seventy years we have sung "God save the Queen." If her faith is accurate, and I am certain it was, God has saved the Queen.

At one of the church services we ministered at in England, before I began ministering the message, I encouraged the people to pray for King Charles III. Saul, who became the Apostle Paul, had a supernatural experience with Jesus on the road to Damascus. This encounter revealed Jesus to Saul. The Queen had a personal relationship with Jesus, which became apparent to all, as she shared about her relationship with Jesus many times in her speeches. King Charles III speaks of the influence of the church on his life but not about Jesus.

I encourage the believers here as well to pray that King Charles III will have his own life-changing experience with Jesus and that he will not feel like he must embrace all faiths but represent Jesus to his people and to all nations.

1 Timothy 2:1-4 (ESV)

¹First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all people, ²for kings and all who are in high positions, that we may lead a peaceful and quiet life, godly and dignified in every way. ³This is good, and it is pleasing in the sight of God our Savior, ⁴who desires all people to

be saved and to come to the knowledge of the truth.

In returning from our time overseas, I experienced the joy and gratitude of the Lord expressed to us for our obedience in going—it was like He hugged us.

Thank you to all our partners and friends of the ministry for being a part of all that the Lord is accomplishing through us in lives changing for Jesus.

Colorado Ministry Office

Here at the ministry in Colorado, we are believing for a used Toyota Tacoma or Tundra pickup truck for transporting things that are beyond what a car can handle. We have reached the point where we realize that having a truck would be a beneficial tool for the ministry. Thank you for believing with us as we are open for a donated truck or for the finances to purchase one.

Thank You!

Lisa and I are very grateful to you, our friends and partners of this ministry, as together we are seeing lives changed. We believe that you, our partners, are greatly prospering—spirit, soul, and body—as you experience increase in the seed you have sown multiplying and increase in the fruits of your righteousness. God's richest blessings in Christ are already yours. Believe and establish this truth in your hearts and have open hearts to receive all that God has given you in Christ Jesus.

Blessings in Christ,

Cecil + Lisa

OVERSEAS TESTIMONIES

So much happened on our trip! Below are a few of the testimonies we experienced personally.

One testimony that was shared with me was of a lay minister I prayed for out on one of the Channel Islands. He had difficulty ministering the Word of God clearly when speaking. I laid my hands on him in prayer, and he later said that his encounter with the Holy Spirit was like being on a beach, experiencing the wonderful peace of God. The next time he ministered the Word of God, it was said that he was able to minister with such clarity.

At the same meeting, I prayed for an elderly lady who was diagnosed with cancer, and while praying, I slapped the cancerous growth. She was healed, which was confirmed at a doctor's appointment. To the amazement of the doctor, she was pronounced cancer free.

At the meeting in England, another elderly lady, who needed help standing up from her seat, received personal ministry in the altar call. After prayer, she was physically free, as the pain left and she was able to sit and stand

up quickly on her own. She left full of joy, giving glory to the Lord.

A husband and wife came for prayer and were set free from grief over the death of their son.

A lady came for prayer for her daughter who could not speak but understood what was being said to her. When Lisa laid her hands on her, she had a seizure, but it stopped immediately. A few minutes later, she turned to Lisa and gave a beautiful smile, and her eyes were clear and bright.

On one of our connecting flights to London, Lisa shared with a young man the grace of God and what it means to have a personal relationship with Jesus. He was very open and grateful to hear that he can have his own relationship with Jesus.

When I prayed for everyone corporately in one of the meetings and released the peace of the Lord to everyone, the presence of God touched everyone and set them free from sorrow and grief.

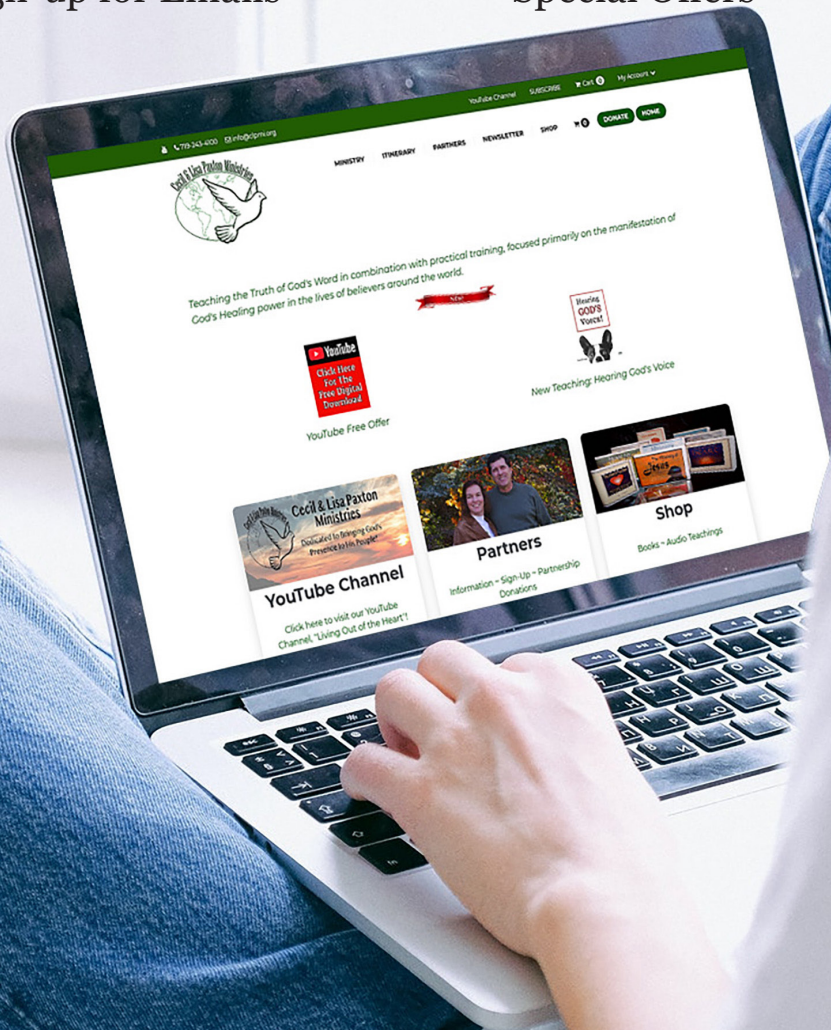

On the flight home, the man next to me had an injured heel and leg and was wearing a brace. We saw that he was in great pain. Lisa asked him if he would like to have prayer, and he said yes. She laid her hands on him and spoke to his heel and leg, and the pain left him. We both praised the Lord together for his healing.
