Specialized Training for the Counselor

The purpose of this certificate program is to train you to provide effective and biblical accountability and relationship for those caught in the life-dominating sin of addiction (i.e. drugs, alcohol, sexual, shopping, internet, gambling, etc.). This training will help you play a critical counseling role in your church, ministry, and relationships in helping lives be freed and transformed through Christ. Those who successfully complete the course work are eligible to apply to be an Addiction Team Counselor at Lowcountry Biblical Counseling Center.

About Encompass Leadership

Caleb Kennedy is the addiction ministry facilitator at LCBCC. Caleb became a resident of a Christian Rehab Program (Changed Lives Ministries). Bound by his addiction, Caleb found lasting freedom through completing the CLM program saturated with prayer, scripture and godly connections. He is now doing the same for others as he facilitates the LCBCC out-patient addiction and training program, serves as Assistant Manager of CLM, and has spent hours in biblical counseling training.

Tim Bryant is the Executive Director of LCBCC and founded the Center in 2003. He served as a pastor and at a Christian rehab facility for over 10 years. Tim's counseling and speaking ministry help many individuals and relationships find peace and wholeness in Christ. His spiritual passion and wise perspectives have been a means of grace and transformation to many over the years. Tim holds his Master's in Biblical Counseling and certification through the Association of Biblical Counselor.

Intensive help for the tempted

- ✓ Personal Encouragement and Effective Accountability
- ✓ Weekly Addiction Change Group
- ✓ Weekly Biblical Counseling Session
- ✓ A Transition Team (especially needed for those coming out of a residential program)

Many times those in residential programs have little transitional help to continue in the key elements that keep them focused and free.

Encompass surrounds you with a team to help you continue in needed habits, routines, connections, relationships, vocational and educational opportunities – to help you make the transformation permanent.

We deal with the Whole Person - Body & Soul

The Good News!

Do I have to remain a slave?

The good news is that Jesus came to set us free from slavery to sin and has accomplished it! (John 8:36).

In Christ, our old self is crucified that we might be freed from sin and enslaved to God (Romans 6).

In this unique approach you will learn the practical path to this victory in Christ over addiction.

You will learn how to uncover the roots of your addiction and establish routines that provide power from Christ to experience inside-out freedom and transformation.

*If by the Spirit you put to death the deeds of the body..... YOU WILL LIVE!
