Hi! I'm stepping up to the food bowl & paw-ticipating in Animal Humane New Mexico's 55 for 55 Anniversary Challenge! Over the next 55 days, or less, I've committed to Dashing, Dawdling, hiking or biking 55 miles to raise vital funds for & to improve the lives of our community's most vulnerable population of cats & dogs.

Animal Humane is a private, nonprofit, local organization that supports over 20,000 pets & people annually & receives no city, state or federal funding. Their live-saving work helps support the lives of pets through sheltering, adoptions, humane education & veterinary services.

Will you please support my goals to help New Mexico's homeless & at-risk pets by making a pledge per mile for my fundraising efforts? Even 55 cents per mile would be a phenomenal gift for cats & dogs in need.

Make a pledge to help pets & follow my journey to complete 55 miles in 55 days or less!
