CAMP OVERVIEW

California Waterfowl's Hunting Heritage Programs introduce people to the sport and traditions of waterfowling. All participants will learn from experts in the field with a safe, positive and supportive environment.

At camp, participants will learn skills areas: calling, decoy spreads, shooting, shot selection, distance judging, concealment, waterfowl id, game laws, ethics, wild game preparation, and hunting opportunities.

ABOUT CWA

The California Waterfowl Association (CWA) is a nonprofit organization, whose mission is to conserve the state's waterfowl, wetlands, and hunting heritage. Over 20,000 members support the association's conservation and outdoor heritage programs.

Waterfowl Resource Programs

CWA focuses its conservation efforts on four species of waterfowl. The mallard, pintail, wood duck, and goose programs cover much of the spectrum of wetlands and uplands located in California and the Pacific Flyway. These programs benefit more than 200 wildlife species. Each one poses unique challenges in habitat conservation, government action, education, and population enhancement.

Outdoor Heritage Programs

CWA's heritage programs are designed to motivate people of all ages to get outdoors. Many of CWA's projects focus on the youth of today and help ensure abundant waterfowl and wetlands for tomorrow. CWA political activities increase outdoor recreation opportunities and protect our outdoor traditions for the next generation of waterfowl stewards.

A Message from Carson

Growing up in the Sacramento Valley, I was exposed to the outdoors at a young age. Early on, I knew that a job in the outdoors would be my goal. Traveling all over the state to pursue ducks and geese gave me a new appreciation for waterfowl. My life is now centered on sharing my passion for waterfowl and the outdoors with others. I would like to thank you for supporting California Waterfowl.

The goal of California Waterfowl's Hunting Heritage Program is to generate a lifelong passion for wildlife and the outdoors by hosting fun, exciting, hands-on outdoor recreation activities for conservationists, hunters, and shooters all ages and gender.
