

Honor Roll

California Waterfowl's Major Donors and Life Members as of June 30, 2021

California Waterfowl is proud to have the support of nearly 1,200 Major Donors and 2,900 Life Members. It is our great honor to thank these individuals, companies, organizations and foundations for their extraordinary level of commitment to waterfowl, wetlands and hunting in California.

For information about our **Major Donor Program**, please visit calwaterfowl.org/donate/major-donor-program, or call Vice President for Fund and Membership Development Scott Mueller at 916-648-1406, ext. 142.

For information about **Life Membership**, please go to calwaterfowl.org/join or call Membership Coordinator Sharon Feci at 916-648-1406 ext. 113.

Many Major Donors and Life Members are also members of CWA's **Pintail Legacy Society**, supporters who have chosen to leave gifts through their estates. For information about estate and other tax-advantaged giving, please contact Gordon L. Nelson, CPA, CFP®, at 435-213-9986 or plannedgiving@calwaterfowl.org.

The youngest new Life Member ever

Tony Sackman has been a CWA member for over a decade, and he's just recruited the newest member of his family, breaking a record while doing so.

One day he saw a post on CWA's Facebook page about someone's child being the youngest Life Member, and his competitive side kicked in. He decided that this would be his first gift to his as-yet unborn son.

When the baby was still a few weeks away from being born, Sackman emailed CWA Membership Coordinator Sharon Feci to talk the idea over. That idea then snowballed into a plan, and he sought his brother Kyle's help to bring it to fruition. His brother, who is also a CWA member, was all in.

Kyle Sackman filled out all the required forms and

information beforehand to get everything ready to go. When Tony Sackman entered the delivery room, he gave brother Kyle a heads-up. The instant baby Jack Sackman was born this January, he sent out a family text to announce it. Then Kyle Sackman submitted the life membership form in just two minutes.

Now Jack holds the title of youngest ever Life Member at time of sign-up.

When the rest of the family heard the news, they were excited to dress Jack up for pictures with his toy duck and Life Member pin.

Now Tony Sackman is looking forward to introducing Jack to duck hunting – if and when he wants to give it a try.

"I won't force it," Sackman said. "But if he's got my blood, he'll love it." 🦆

Anyone can leave a Legacy

Legacy Gifts come in many forms, and you can learn more about your options at our gift-planning website: cwagift.org

We're proud to recognize legacy donors on our website* and in this magazine as Pintail Legacy Society members.

Listing CWA in your will or estate is just the first of many options – there are also tax advantages for donating assets:

- Real estate
- Duck club
- Stocks
- Life insurance
- IRA charitable rollover
- Special collections

Want to talk it through with someone? Please contact **Gordon L. Nelson, CPA, CFP®**, at 435-213-9986 or plannedgiving@calwaterfowl.org.
