California Waterfowl Hunt Program

2021-2022 Staten Island Hunt Details

Staten Island: This CA Delta island is 9,200+ acres and located roughly 10 miles east of Rio Vista, CA. Staten Island is home to thousands of wintering duck, geese, swans, and cranes. A large population of Aleutian Geese winter on the island. Crops consist of corn, triticale, potatoes, hay and rice. Hunters will hunt from pit blinds in flooded harvested rice fields. Water depths range from 6"-24". Blind stools and decoys are provided.

Special conditions: Hunting will end at 10:00 am. Each group must consist of at least two hunters. Hunt winner must bring a guest! Five groups will be drawn each hunt date. Groups will draw for blinds before the morning hunt.

Capacity: Three hunters

Blind safety rules

1. Muzzle pointed in a safe direction – ALWAYS!!!
2. Finger off the trigger until ready to shoot – ALWAYS.
3. Make sure the safety is on until you are ready to shoot – ALWAYS.
4. Open the actions when hunters/dogs are retrieving game, no shooting at cripples and flying birds when dog/hunters are out of blind.
5. Shooters “Safe zone of fire” should be established in front of shooter, not behind or over anyone’s head. Use the imaginary clock example of 10 o’clock and 2 o’clock in front of the shooter. Talk about where each shooter will be shooting prior to the start of shoot Time.

The Ten Commandments of Firearms Safety

1. Treat every gun as if it were loaded.
2. Watch that Muzzle! Be able to control the direction of the muzzle at all times.
3. Be sure the barrel and action are clear of obstructions.
4. Be sure of your target before you pull the trigger.
5. Unload guns when not in use.
6. Never point a gun at anything you do not intend to shoot.
7. Never climb a fence or tree or jump a ditch with a loaded gun.
8. Never shoot a bullet at a flat, hard surface or water.
9. Store guns and ammunition separately, beyond the reach of children and careless adults.
10. Do not drink alcoholic beverages or use mind altering drugs before or during shooting.

CFR Hunter Rules and Restrictions

Respect the other activities and property on Staten Island:

- Do not smoke, build fires, cook, or camp on Staten Island.
- Take all litter and waste with you when you leave.
- Do not destroy, harm, harass, or collect vegetation (any parts, live or dead) or animals other than hunted waterfowl and game birds.
- Avoid bringing any live plants, seeds, cut flowers, horses or other animals/pets other than hunting dogs that have up-to-date licenses and vaccinations.
- Allow tenants, researchers, agricultural and farm workers, and other visitors to conduct their activities in peace.
- Except by prior written approval by Conservation Farms & Ranches, stay out of buildings and other structures other than hunting blinds and the duck shack.
- Digging in any Indian mounds or architectural remains is prohibited. Do not collect or take anything found at Staten Island other than harvested waterfowl and game birds.
- If a potential problem with levees or water conditions arises, inform the CFR President or Conservation Program Manager immediately.

Follow vehicle rules:

- Vehicle use is restricted to existing roadways or to enter remote portions of Staten Island to retrieve harvested waterfowl.
- Avoid beaming headlights at crane roost sites, especially before dawn.
- Observe the 25 MPH Staten Island speed limit throughout the hunting season and the remainder of the crane wintering season (mid-September to mid-March). On non-paved roads adjacent to flooded areas, drive as slowly as possible before sunrise.
- Off-road vehicles and ATVs are prohibited.

Engage in only permitted hunting:

- Know and follow California Department of Fish and Wildlife regulations, bag/possession limits, and season rules.
- Always hunt in a group of at least two people.
- Trapping and poisoning are prohibited.
- Only hunt waterfowl.
- Hunt waterfowl from only approved blinds. Access blinds by the shortest passable route that is not near an active crane roosting site .
- Waterfowl hunting is restricted to Wednesday, Saturday, and Sunday, as well as Thanksgiving, Christmas, and New Year's Day.
- Waterfowl hunting (including scouting and setting up decoys and blinds) is limited to mornings, when cranes are away from roosts, on hunting days.
- Sign out after ceasing hunting for the day and record all species and numbers of birds harvested.
