Welcome to Kids for Emunah

Your opportunity to help kids in Israel who need special care and support.

THANK YOU FOR SIGNING UP TO MAKE A DIFFERENCE TO THE LIVES OF CHILDREN IN ISRAEL WHO NEED OUR HELP!

Sadly, sometimes children cannot live with their parents in their own home, so they live together in Emunah Children's Homes. Emunah helps give these children a secure and loving place to grow up and just be a kid. They go to school, participate in after-school activities, celebrate Shabbat and Chagim as well as birthdays together – just like you!

The children are also given the support they need to overcome their challenges and become happy grown-ups.

There are five Emunah Children's Homes in Israel and together with day care centres, schools and other programs, Emunah helps over 10,000 children and young adults every year!

DANNY, AGED 10

Danny moved into the Beit Elazraki Emunah Children's Home in Natanya, when he was 6 years old.

His parents could not look after him and his brothers anymore, so he was forced to move to Beit Elazraki. He still sees his parents occasionally, if they come to visit. They accept that Danny is better off living at Beit Elazraki, as they don't have jobs, and don't have enough money to feed and look after their family properly.

He is determined to make his life a success and tries hard to do well at school. He hopes to go to the army and university and one day have his own family.

LEAH, AGED 8

Leah was brought to Neve Michael Children's Emergency Center in Pardes Hannah, in the middle of a dark winter's night.

Police were called her to apartment when neighbours heard loud screaming and fighting from her parents. The Welfare authorities decided that her parents were not able to care for her in a normal family environment, and sent her to stay at Neve Michael.

Leah took a long time to feel comfortable at Neve Michael, and she spent a lot of time alone and crying. The staff noticed she was starting to eat more meals and smile more often. Leah now accepts that Neve Michael is a place that keeps her safe and nurtured. She doesn't see her parents anymore and is forming close relationships with the caring "parents", therapists and friends at Emunah.

WHAT CAN I DO TO HELP?

- Create your own tzedakah (charit) project or event
- This pack contains all you need to create your own Kids for Emunah Fundraiser - It can be as big or small as you like!
- If you're not sure about running your own event, come volunteer at one of Emunah Australia's fundraising events and see how you can make a difference!

Generous people around the world donate tzedakah (charity) to Emunah to help these children. As Jewish people we know about the importance of sharing with others and caring about each other. Each one of us can make a difference to the lives of children who need extra help and support.

TIPS FOR PLANNING A SUCCESSFUL FUNDRAISER

WHO?	Choose a friend or family member to assist you – working in teams is so much more fun!
WHAT?	Think of an idea – brainstorming helps! *See our brainstorming diagram for some inspiration...(page 8)
PLAN	Plan your event- think of when, where and how to run it with maximum benefit (what else can you do to make extra money?). Use our goal planner to help you (page 10)
INVITE	Use our Event invitation (page 19) or create your own –share with your friends and family and ask them to tell others to come too!
REGISTER	Register your event on our Fundraiser Page (see page 11), create your own QR code (page 12) - Ask an adult to help you with this step and check if we can promote it to our Emunah community.
COLLECT	Collect everything you need leading up to your event and organise the details (talking it through with an adult can help here too)
COMPLETE	Complete your Fundraising Declaration so your event is official under Kids for Emunah. Display this at your event. Find it in your pack and on page 20)
DECORATE	Print out any extra posters, signs or bunting to decorate your event space (pgs 17-22)
RAISE $$	Work out how you'd like to collect money, and send it in to us (more info on page 13 + 14)
HAVE FUN	Take some pics of your event in action and have lots of fun!!!!

How to make Bunting

2. Cut string to length (remembering it should dip a bit in the middle and have extra space on sides to tie it up)

3. Space out your triangles and fold over edge and staple over the string, leaving gaps and string at the ends to tie it up

4. Hang up at your event to decorate the space
