18TH ANNUAL CONSERVATION GALA

SPONSORSHIP OPPORTUNITIES

November 6, 2025

Lionhead Golf Club & Conference Centre
8525 Mississauga Rd, Brampton
6 to 9:30 PM

ABOUT US

The Credit Valley Conservation Foundation (CVC Foundation) is the charitable arm of Credit Valley Conservation (CVC). Established in 1964, the CVC Foundation exists to inspire people and organizations to donate to support CVC's vision of a thriving environment that protects, connects and sustains us.

OUR MISSION

To raise funds and awareness in support of the conservation projects carried out by Credit Valley Conservation that protect, connect and sustain the health and well-being of the watershed and its communities.

OUR GOAL

Our goal is to improve the local environment for the well-being of our communities by supporting and enabling CVC to achieve the following strategic directions:

Secure new conservation lands to protect their benefit to the environment and connect more people with nature

Build capacity for our education programs to increase environmental literacy among youth, adults and new Canadians

Train, mentor and inspire youth to be future environmental champions

Work with our partners to develop a Credit Valley Trail that connects the waterfront to the headwaters, celebrates our shared local history and creates a strong sense of place and emotional connection to the Credit River and its valley

Develop and maintain trail systems with accessible options within our conservation areas that connect to other trail systems and features of historic, cultural and environmental importance

ABOUT OUR GALA

The 18th Annual Conservation Gala will raise critical funds for the CVC Foundation, focusing on land acquisition within the Credit Valley Trail (CVT) and beyond. This once-in-a-lifetime project will create a 100-kilometre pathway through the stunning Credit River Valley, stretching from the hills of the headwaters in Orangeville to the shores of Lake Ontario in Port Credit. The CVT will connect communities to the beauty of nature, Indigenous heritage and values, rich cultural experiences, and the sustaining waters of the Credit River.

Our \$10 million campaign to complete the CVT is already in full swing. With 76 kilometers of the trail secured and 43 kilometers already completed, the CVT is quickly becoming an essential community asset, offering a space where families and friends can explore and enjoy nature together.

Having raised \$4.5 million so far, we are nearly halfway to our goal! Your support at this year's gala will bring us closer to protecting and expanding this cherished natural space, ensuring its legacy for future generations to enjoy and appreciate.

SPONSORSHIP OPPORTUNITIES

CREDIT RIVER WATERSHED LEGACY PARTNER

\$25,000

2 OPPORTUNITIES
