

Donor Impact Report 2015

In support of a thriving environment that protects, connects and sustains us

**Thanks to the generous support of our donors,
the CVC Foundation was able to provide
Credit Valley Conservation with more than
\$1.5 Million dollars in 2015.**

In support of a thriving environment that protects, connects and sustains us

**The \$1.5 million dollar contribution
was critical in helping
Credit Valley Conservation
achieve the following outcomes in 2015**

In support of a thriving environment that protects, connects and sustains us

**The acquisition and protection of
38 acres of environmentally significant land
and associated wildlife habitats.**
