# ABOUT FRIENDS

**FRIENDS of Broomfield is a non-profit organization in your community providing support services to adults with intellectual and developmental disabilities through Day, Residential, Social & Travel and Supported Employment programs. Our mission's work is to provide diligent advocacy, community education and program development for an often overlooked and under served population. Most importantly, our Participants are at the center of everything we do, and our programs are developed with their goals and dreams in mind. Nothing is out of reach.**

**Together we explore the possibilities, then find ways to provide opportunities. Our ability to offer opportunities for participants to build skills for independence, improve mental, social and physical health, and become valued contributing members of the community, is made possible because we have support from people like YOU, our families, our friends, and our community!**

**As a non-profit human service agency we rely heavily on fundraising to carry out our strategic initiatives. As part of our fundraising efforts this year we are planning our TOPGOLF Tournament, FRIENDS Luncheon & Fashion Show, and Variety Show, and we think YOU will want to be a part of it.**

**We are inviting you and your company to become a FRIENDS 2024 Events Sponsor. Your partnership would mean so much to the participants of FRIENDS of Broomfield. Supporting us will allow us to continue to support our programs serving over 230 individuals each year in the community.**

**Please find more information on our website [www.friendsofbroomfield.org](http://www.friendsofbroomfield.org), or reach out to our Development Team at 303.404.0123 or [development@friendsofbroomfield.org](mailto:development@friendsofbroomfield.org) with any questions.**

**Together We Can Insure Our Friends Continue Living Fulfilling Lives As Adults!**
