

# *Girl* FRIENDS *Fashion Show & Luncheon*

*Let's raise a glass, celebrate each other, and support our "GirlFRIENDS" with intellectual and developmental disabilities by ensuring continued opportunities through FRIENDS, to live their best lives!*

*We are very excited and grateful that you have chosen to join us today as we celebrate National Girlfriends Day, and specifically our Girlfriends from FRIENDS!*

*This is our sixth year highlighting our critical program offerings and the amazing participants we serve. Today you will see our models from FRIENDS present a fun and exciting Fashion Show that celebrates the beauty and talent of these incredible women, and this year, men. We also hope to inspire you with stories from participants and the people who love and support them most. Their determination, perseverance and hard work illustrate that anything is possible.*

*We need your support to ensure our Friends have the necessary tools to achieve their dreams, so we THANK YOU for being here today to celebrate them!*

*Enjoy!*
