## WELCOME

**Cool Cats, Funky Friends,  
Happy Hippies & Disco Divas!**

**We are very excited for our 18th annual Variety Show  
The 70's ~ We Got The Funk !**

**The 1970s are famous for bell-bottoms and the rise of disco, but it was also an era of economic struggle, cultural change and technological innovation. In the music industry the 1970's saw the emergence of new genres and artists which changed the music scene permanently. The days of rock 'n' roll, blues and R&B dominating were over, replaced with a wide and interesting spectrum of genres, with disco, funk, and soul becoming arguably the most popular genres of the decade.**

**Once the theme of the show was revealed in August, participants got to work rehearsing their songs and dance numbers. It is truly amazing to see how creative and talented they are!**

**“Music speaks what cannot be expressed, soothes the mind and gives it rest; heals the heart and makes it whole, flows from heaven to the soul.” – Author Unknown.**

**We are grateful that you have chosen to join us today. Don't sit back & relax! Get up, sing, dance, and have a groovy good time, celebrating the 70'S cause...**

**“We Got The Funk”  
We know you do too!**
