

## February 2024

*Please join us in praying for...*

### **Media Players**

Whether listening to content in a group on a media player or privately from an SD card on their phone, these devices provide biblical teaching directly into the hands of people in their heart language.

1. In partnership with Hope and Care Outreach, we recently distributed 400 media players containing an audio New Testament, Thru the Bible sermons and *Bible Stories Alive* in English to illiterate women across Liberia, as well as 100 media players containing an audio Bible and Thru the Bible sermons in French to pastors in Côte d'Ivoire and Guinea. Pray these media players will be a blessing and encouragement to those who receive them.
2. Pray for the continued distribution of media players in Chile and Peru, in partnership with ShareWord Global and Thru the Bible.
3. Pray for the continued distribution of media players across West Africa, in partnership with GAIN.

### **Hostile**

Where Christian believers face persecution and restrictions, we provide safe and accessible means through technology and discipleship conferences for them to hear the gospel, be discipled and grow in faith.

4. Pray for the safety of believers in dangerous areas of the world and that God would work through technology to reach into lives with the hope of the gospel.
5. Pray for those across the Persian-speaking world who receive resources such as SD cards, Bibles and other resources. Pray that they would grow in faith.
6. Pray for believers in Bangladesh who face discrimination and attacks for their faith. Pray that hearts would be encouraged and find safety and spiritual connection through radio home groups.
7. Pray for wisdom and strength for our partner Media Impact International as they engage with people on social media who are seeking after Christ in difficult circumstances.
8. Pray that the persecuted in Nigeria would find encouragement and security through Discipleship Essentials, which is broadcast to French-speaking communities in West Africa and is currently in translation and production in the Hausa language.
9. Pray for the translation and production of Discipleship Essentials lessons to be used in Indonesia. Pray that these teachings will encourage persecuted hearts and equip them to continue sharing the gospel.
10. Pray for the seekers in Pakistan who are keen to know about the Bible. Pray that our signal strength and coverage will reach listeners through radio broadcasts such as *The*

*Way of Righteousness*, which preaches the gospel, provides a biblical education and leads people to salvation.

## Canada

TWR Canada provides resources for the Canadian Church, as well as tools to help share the hope of Jesus in the heart languages of our neighbours.

11. Pray for the post-production and marketing plans of CultureCross, a tool for the Canadian church to assist Christians in knowing how to share the gospel with people of other cultures.
12. Pray for Robert Barbeau as he grows the ministry of Every Man a Warrior in Canada. Pray that Canadian men will be equipped into faithful warriors and multiply God's Church through this ministry.
13. Pray for the Hope Line volunteers in Quebec to have meaningful discussions with callers and to provide answers and encouragement to those seeking Christ.
14. Pray for the CRTC application process for the five new FM antennas in Quebec. Pray that the applications would be quickly approved so that more people across the province could hear the hope of the gospel across the airwaves.
15. Praise God for the ways *La Parole Vivante* opens doors for the gospel across Quebec.
16. TWR Canada provides media players for believers to use as an evangelism tool in reaching new Canadians with the gospel. Pray for those who will receive a player in their heart language.
17. Pray for God's guidance as TWR Canada looks at other ways to provide resources for the Canadian Church.

## Discipleship Essentials

Discipleship Essentials is available in more than 15 languages and is used by individuals for personal study and in thousands of small groups in Canada and around the world.

18. Praise God for providing DE in new languages! Please pray for those who will access the materials in the Bambara, Peruvian Quechua, Tagalog, Hiligaynon and Albanian languages.
19. Pray for our DE Partnership Director, Tony Tira, as he discerns new opportunities to use DE, as well as strengthens partnerships and relationships that have already been established around the world.
20. Pray for our partner in the Middle East and North Africa, Together Network, as they train believers to share their faith and create spiritual movements using DE and other resources.
21. Please pray for the continued translation and production of DE. Pray for the production teams, as well as for those who will use these resources.

22. Praise God for the growth in faith we are seeing as church leaders from the Christian and Missionary Alliance Churches of the Philippines are trained and receive DE resources.
23. In West Africa, the Discipleship Essentials radio program serves French-speaking communities. Pray that listeners and small groups would integrate lessons learned through this radio program into their lives and that they would grow in capacity to produce disciples within their communities.
24. Pray for those accessing DE online on TWR360, YouTube and the DE Android and iOS app. Pray that their faith would be strengthened as they watch, listen and read.

### **Radio Broadcasting**

Radio broadcasting allows listeners from hard-to-reach places to urban centres, and everywhere in between, to access the gospel. From FM stations in countries like Burundi to high-powered radio from Bonaire, Eswatini and more, radio broadcasting shares the hope of the gospel around the world.

25. *Strengthening Families Through the Word of God* was created to guide families in Eswatini in having conversations that are avoided in their culture. Pray that the program would open the door for families to communicate on difficult topics from a biblical perspective.
26. In Côte d'Ivoire and Mali, *Women of Hope* is broadcast in the French and Bambara languages. Pray that the women who listen would understand the love God has for them and the hope that he provides.
27. Across Sri Lanka, *God's Unique Book* introduces Buddhists to the truth of God's Word. Pray that hearts across the country would be open to receiving the good news of Jesus.
28. *Bible Stories Alive* is broadcast on four FM stations in Kenya. Pray that the children and families who listen would grow in faith.
29. Pray for those listening to our two Cuban programs, *Messages of Faith and Hope* and *Our Home*, broadcast from the TWR transmitter on Bonaire.
