*Please join us in praying for...*

### **Digital Ministry**

Our digital ministry allows anyone, anywhere, at any time to gain access to a wide range of resources in their heart language.

1. Praise God for the magnitude to which internet streaming provides options to experience God's grace, such as through the Persian web radio station.
2. Pray for those who need protection as governing agencies monitor religious activity in countries where it's not safe to be a Christian. Pray they receive safe and easy access to the gospel through digital means.\
3. TWR360 is TWR's global digital distribution platform. Pray for those accessing resources on TWR360, such as Discipleship Essentials and Bible Stories Alive.
4. Pray for Android and iOS app users accessing biblical content in their heart language produced by our ministry partners.
5. Pray for listeners of *Voice of Truth*, which is distributed online and is beloved in the community of Prilep, North Macedonia.
6. Pray for believers to come to faith through Encounter the Truth. Available through TWR360, this daily audio program was created by Pastor Jonathan Griffiths at the Metropolitan Bible Church of Ottawa, Ontario and facilitates encounters with the truth of God's Word.
7. Through our partnership with Media Impact International and their India Follow-up Centre, we are speaking hope to those in India who engage with our ministry partners on social media. Pray for spiritual connection during these interactions and wisdom for our ministry partners as they respond to those reaching out.

### **Persian Ministry**

For more than 40 years, we have reached the Persian-speaking world with the hope of the gospel. Through web radio, social media, training conferences and more, we continue to see believers strengthened in their faith and new disciples being made.

8. Pray for ministry leader Tony as he follows up with and encourages Persian-speaking believers living in hostile regions and circumstances and for seekers to grasp the gospel as Tony shares it.
9. Pray that God opens more hearts to himself and receives his gift of salvation in the Persian-speaking world.
10. Pray for peace and harmony among the different people groups at training conferences.
11. Some conference attendees' travel involves taking the train for a few days and then a bus for another 22 hours. After 10 days they go back home — praise God that's how eager these people are to learn and grow in their new faith!

12. Pray for believers who have come to faith through CiC Mission, receiving biblical training and doing practical work, earning for their families while also sharing and learning the gospel.
13. Pray for our Persian team as they coordinate and produce content, administrate and facilitate conferences and utilize social media to reach more Persian-speaking listeners.
14. Pray for God to be glorified during the time in worship and fellowship at conferences. Many of these people have never been around other believers and it is a great joy for them to worship the Lord with other believers.

### **China Ministry**

Our China ministry includes SOTA, our 3-4 year seminary program for the Chinese church, as well as other ministry initiatives including Discipleship Essentials, Bible Stories Alive, and training events for Chinese church leaders.

15. Pray for the health and safety of the China ministry team around the world. Many are balancing multiple responsibilities between work and family life.
16. Pray for SOTA students who are pastors and missionaries. Some are closely monitored by the government. Pray for God's protection, wisdom, strength and courage.
17. Pray for the networks and technology SOTA uses for fellowships.
18. Pray for SOTA in Germany, where there are nearly 50 active students. These students represent churches in approximately 30 cities across the country.
19. Distributed to Chinese families through our China ministry's network, *Bible Stories Alive* shares the stories of the Bible in a you-are-there way with children and families. Pray that these stories will spark curiosity and excitement in the children.
20. Pray for house church leaders in China who are tested and questioned for preaching God's Word.
21. Pray that believers in China would stand firm in the face of hardship and persecution and be light and salt witnesses to those who need encouragement.

### **Discipleship Essentials**

Discipleship Essentials (DE) is available in more than 20 languages and is used by individuals for personal study and in thousands of small groups in Canada and around the world.

22. Pray for those using DE materials in the Bambara, Peruvian Quechua, Tagalog, Hiligaynon, Albanian and Hausa languages to grow in their church communities.
23. Pray for DE Development Director Tony as he builds new partnerships and strengthens existing partnerships with groups and denominations who are using DE in their discipleship ministries.

27. Pray for McDaniel Phillips, the global ambassador for Discipleship Essentials, as he promotes the material and mentors leaders who use it.
28. Pray for RTM Bolivia as they implement airing DE in Spanish and Quechua on 112 FM stations across the country and distribute the program on CDs and USBs.
