ST. JOHN'S
ICARE
FOUNDATION

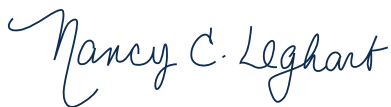

Dear Team Member,

You give so much of your time and talents to St. John's every day to make a difference in the lives of our patients. No matter what your role is here, your personal dedication sends a powerful message to the community. You make St. John's stronger. Choosing to donate to the Team Member Giving Campaign says that you believe so strongly in what happens at St. John's that you are willing to support it above and beyond your everyday work by making a gift.

This brochure provides more information about the benefits of giving to the St. John's ICARE Foundation, as well as the many ways to donate. In fact, you can make a big impact for as little as a \$10 donation, biweekly through payroll deduction. And, if you do, you will receive a pair of our newly-designed limited edition St. John's Custom Socks!

I hope you join me and make your gift today. Your participation – and your gift of any amount – matters! Together, we can make great strides!

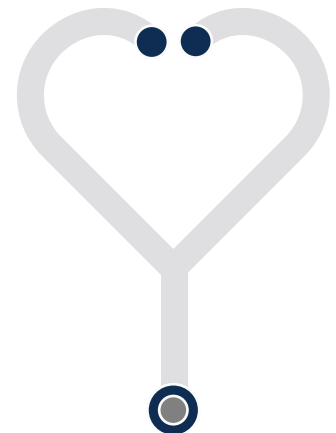

With deepest gratitude,

Nancy Leghart

*Director of Institutional Giving and
Executive Director of the St. John's ICARE Foundation*

We Care SJEH

Together, We CARE

St. John's Episcopal Hospital (SJEH) is a thriving hospital, the only hospital and major employer in the Rockaways.

Your Hospital...Your Foundation

The purpose of the St. John's ICARE Foundation is to raise awareness and funds in support of equipment, capital programs, special programs and community projects. All donations to the hospital flow through the Foundation.

How does the Foundation benefit you?

Gifts to the Foundation purchase the most-up-to-date equipment and fund projects and programs, providing team members with what they need to support patient care. Last year, we purchased an \$80,000 Brevera Breast Biopsy System, a \$46,000 to purchase a Sonosite Edge II Ultrasound System and \$27,000 to purchase and stock 3 Custom Comfort Carts. We also raised \$22,000 for a new doula program and over \$5,000 for a pharmacy fund to help patients who can't afford their copays.

St. John's Hospital Auxiliary

Through the Hospital Auxiliary, we raised money and in-kind gifts to distribute 800 backpacks at the Community and Back-to-School Wellness "Grab and Go" event, adopted 60 families through the Adopt-a-Family program and distributed toys to over 300 children at the Holiday Toy "Grab and Go." We also supplied 400 baby bags and 50 baby monitors to new moms delivering at St. John's.

What you do matters

We know that patients who are grateful for the care they or their family receive, can become our most generous donors. Grateful patients are a direct result of the important work you do. Through the time you spend and care you give to patients, you create champions for our hospital.

Our Mission

The St. John's ICARE Foundation, **which stands for Innovation, Compassion, Respect and Empathy**, fosters a culture of philanthropy to secure, manage and distribute gifts in support of the mission and vision of Episcopal Health Services/ St. John's Episcopal Hospital. To date, the Foundation has raised over \$2M.

**Exceptional Healthcare by exceptional people.
Thank you for being part of this vision.**
