

SERVING FAMILIES WITH CHILDREN SINCE 1990

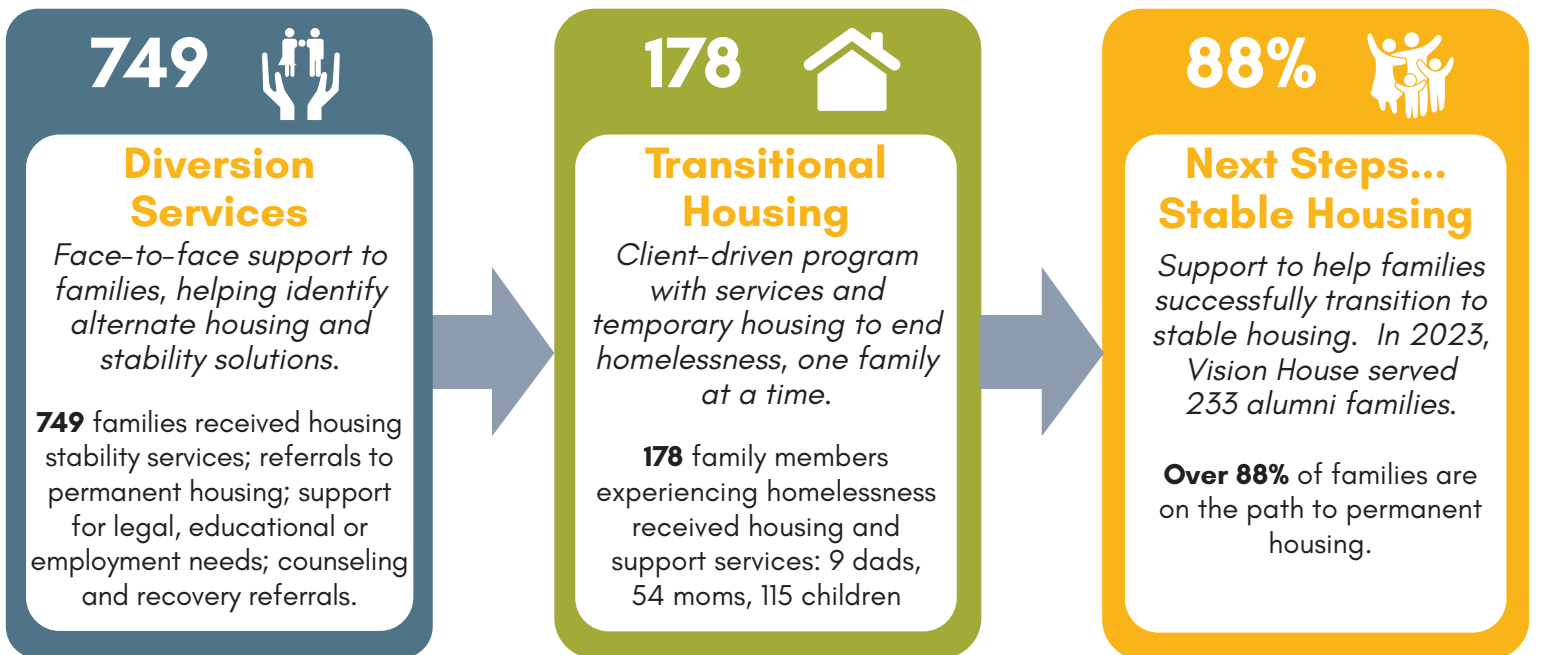

Our Mission is to follow Jesus in working with the poor and homeless to promote positive transformation of their lives.

Our Vision is to inspire our community to unite so that all people have access to a healthy home.

Meet Theresa

Theresa lost her husband to a tragic accident and ended up as a single mom. She had been a stay-at-home mom for over 10 years and had been out of the workforce during this time. Theresa was suddenly in a vulnerable position that she could have never anticipated and had to figure out how to support her family on her own. (continued on back)

From our Executive Director

I am grateful to be the new leader of Vision House.

With your partnership, families are:

- solving barriers to housing,
- receiving longer-term transitional housing and care, and
- getting support in our alumni program.

One thing consistent with moms, dads, and kids finding stability and transformation through Vision House is how the community has fueled positive change. We could not do this work without the churches, businesses, volunteers, and private donors that come alongside our staff and clients. I think of my own kids when hearing what families we serve endure. With you, we'll work until ALL families are released from the pain of homelessness.

God Bless,

Derek

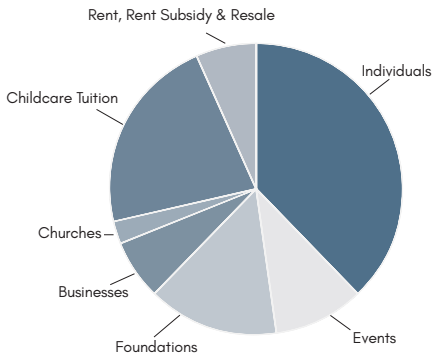

Derek Sciba

When Theresa and her daughter joined our Family Program and moved into one of our transitional units, Theresa's daughter was delighted to have her own room. The family has been able to take time to heal and grieve and Theresa is getting support in finding not just a job, but a career that will utilize her strengths and provide a way for her to have financial stability.

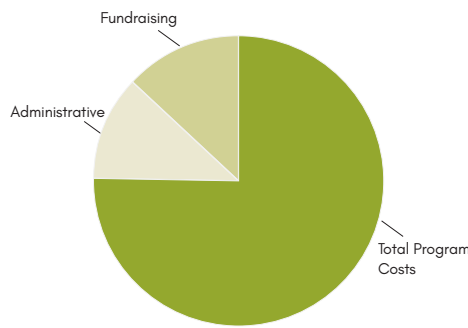

Thank you for helping Theresa and her daughter!
